FENGER HIGH SCHOOL

11220 SO. WALLACE STREET

FOREWORD...

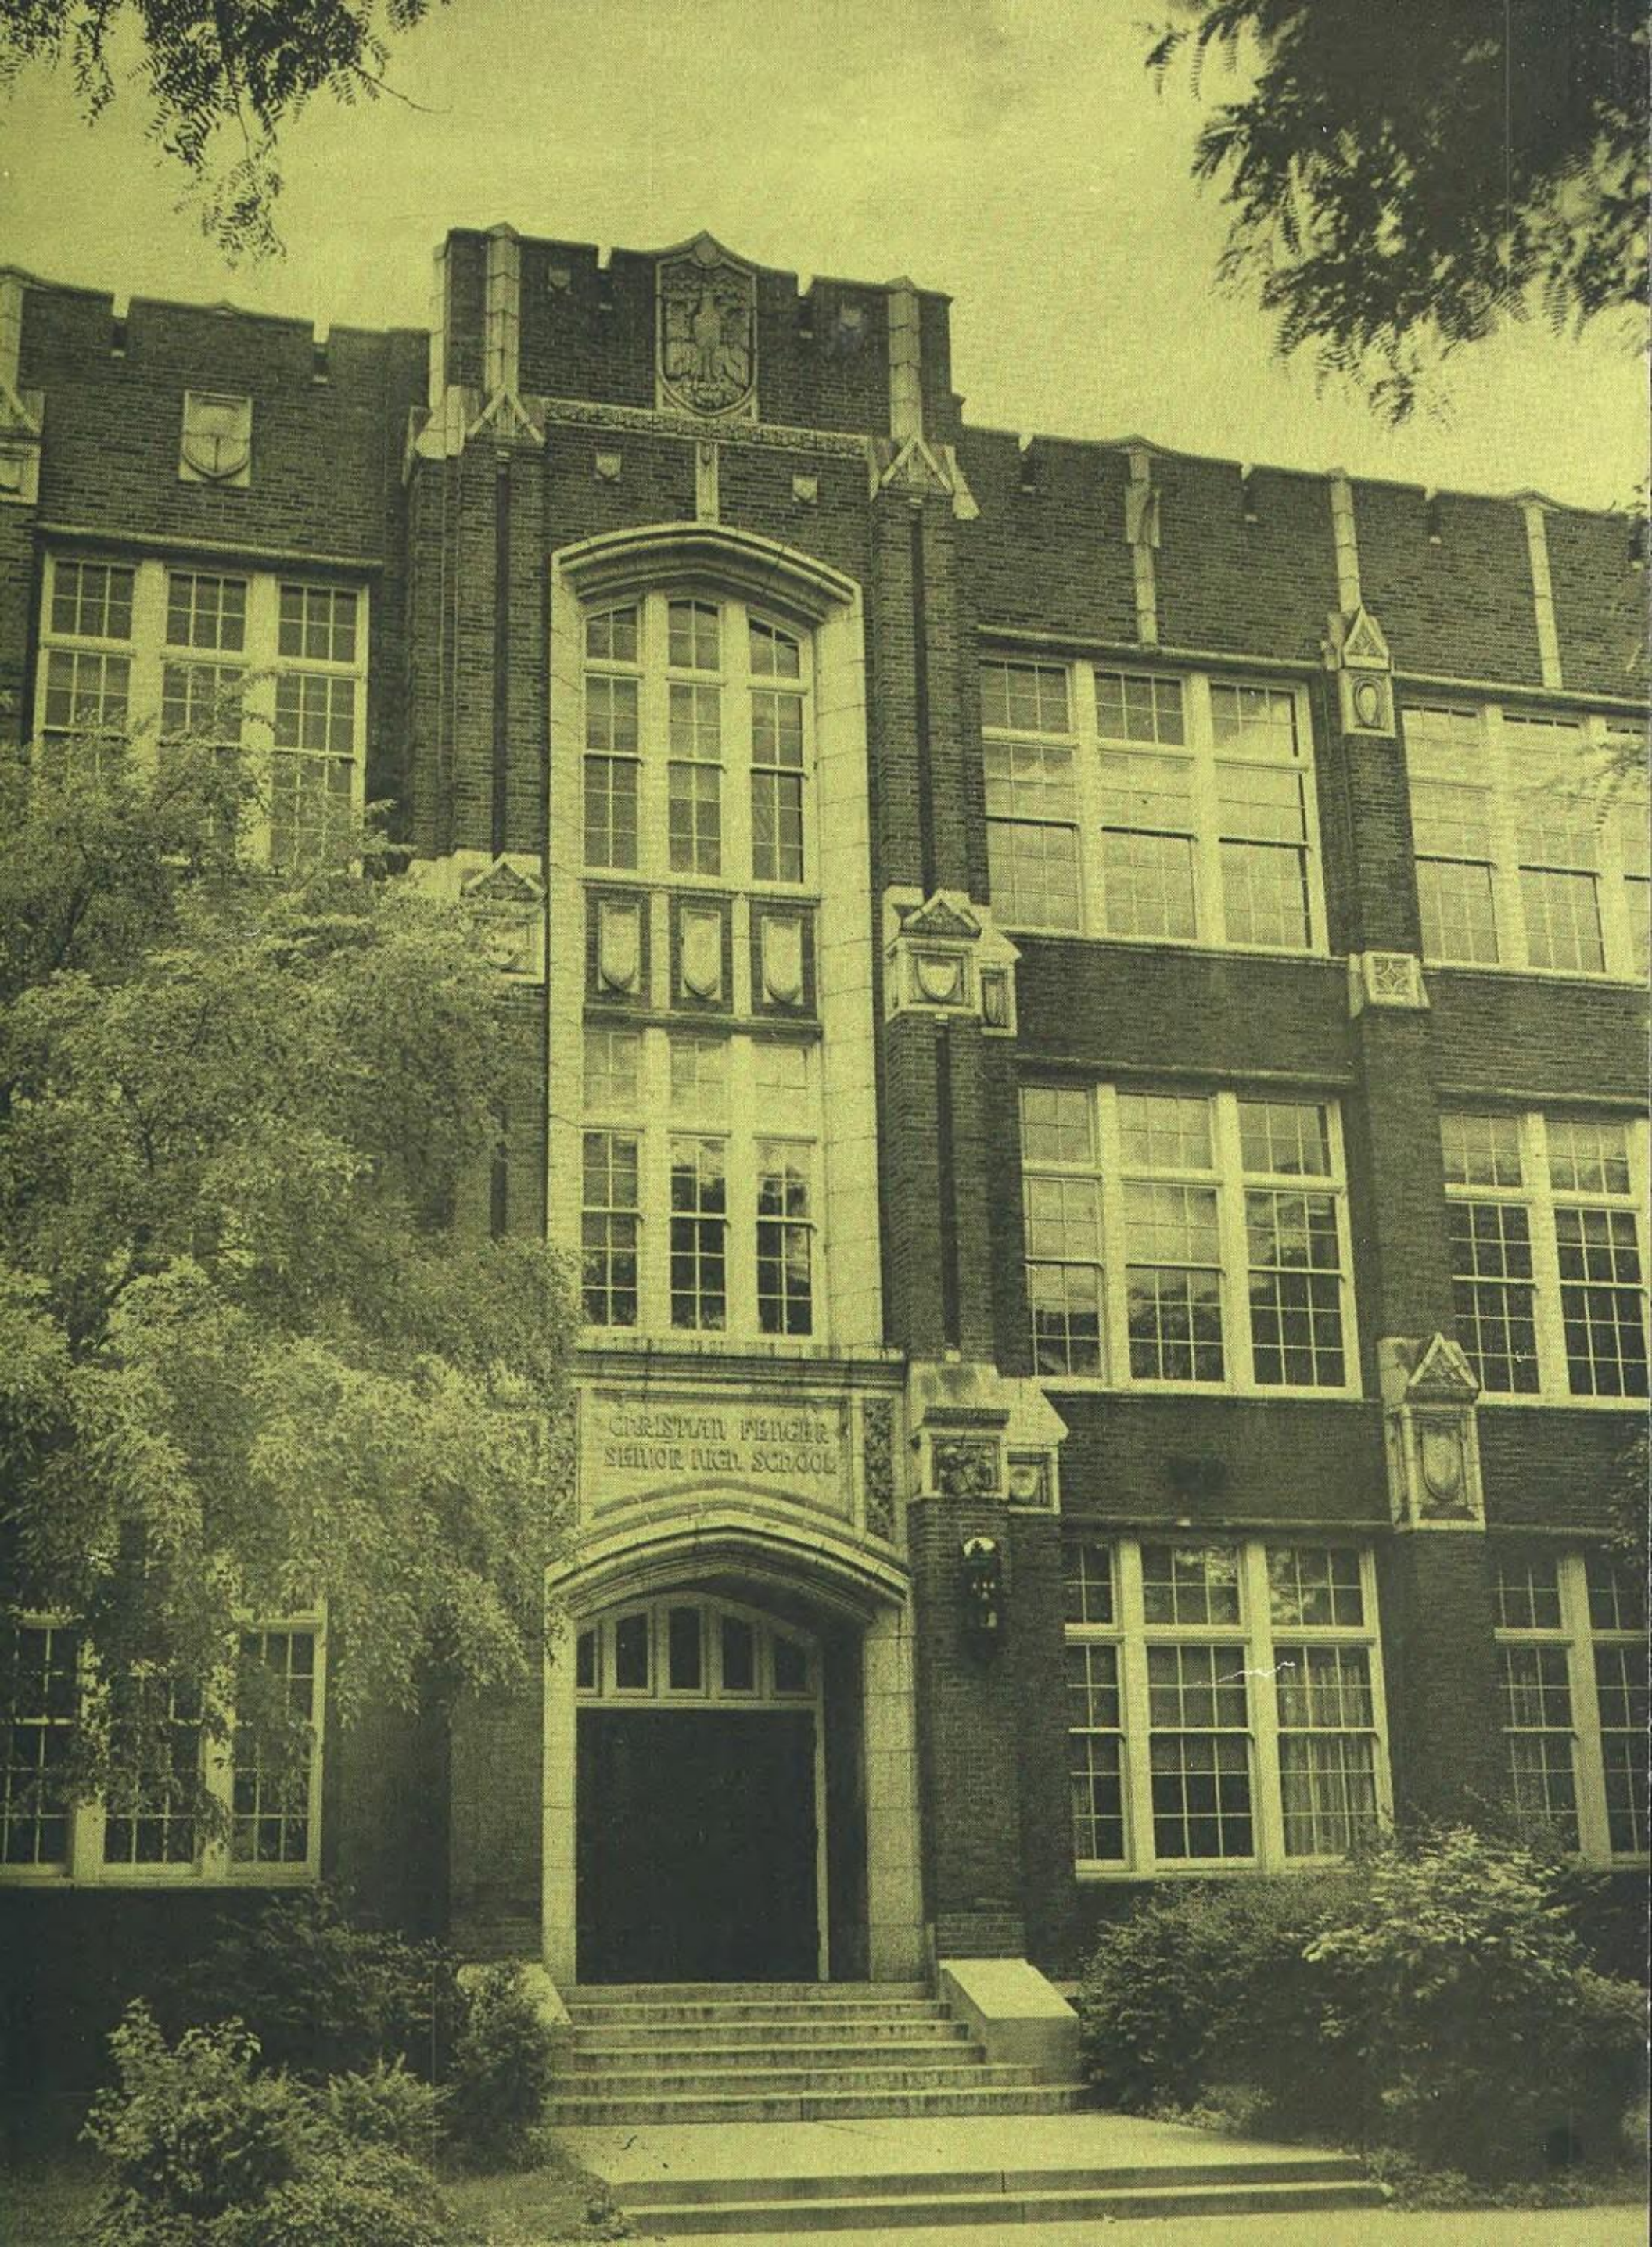

In our years at Fenger, we have come to think of its
campus, not as a mere school, but as a densely populated
metropolis, where friends meet to study and work together
in the various activities.

Our town is, indeed, a friendly one where understanding
and cooperation prevail. It is also complex: its government
is strong; the clubs and organizations are almost without
bounds; the hometown teams are unexcelled; and the hustle
and bustle is sometimes bewildering.

So let's take a look at our town
of which we are justly proud. Let's take

A TRIP THROUGH FENGERTOWN!

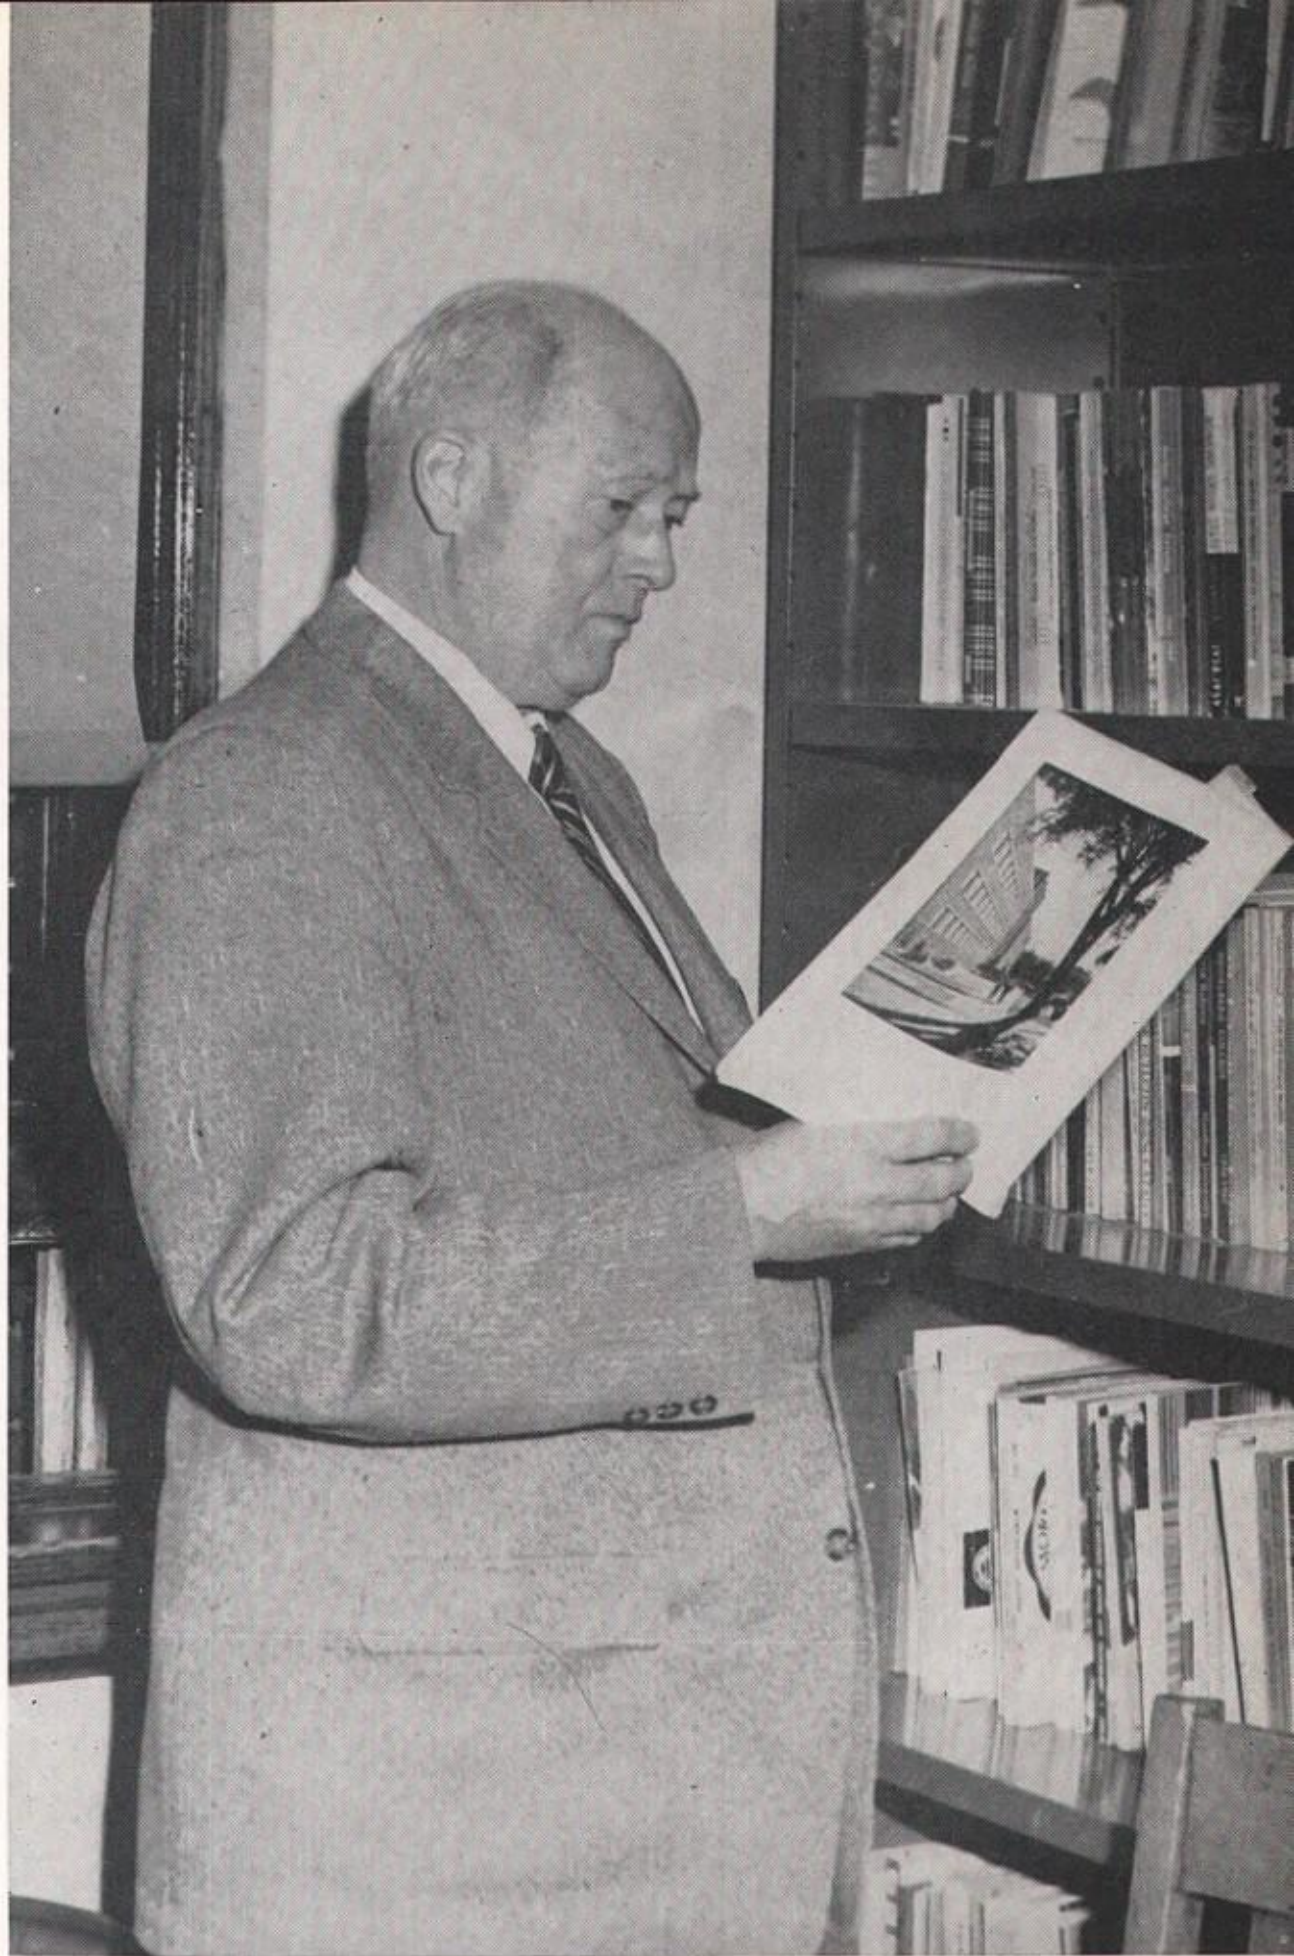

CHICAGO 28, ILLINOIS

CHRISTIAN FINGER
SENIOR HIGH SCHOOL

For 34 years, you, Mr. Smitter, have been a familiar and beloved figure at our FENGERTOWN. You came here teaching bookkeeping, and later became the sponsor of the COURIER STAFF. Later, the task of obtaining scholarships was put in your capable hands. You have always been a constant source of understanding of our college problems and have guided many of us in our choice of colleges. Both the faculty and students will feel the voidness without you in our lives.

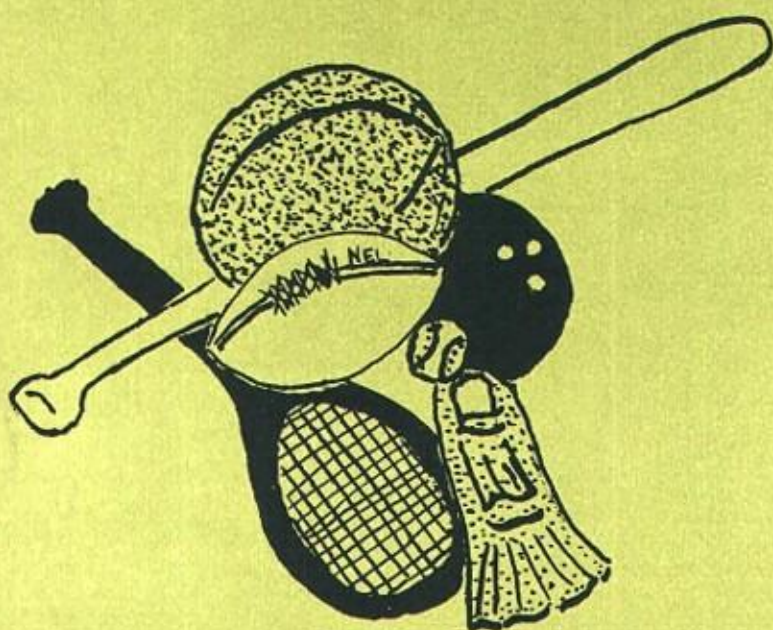

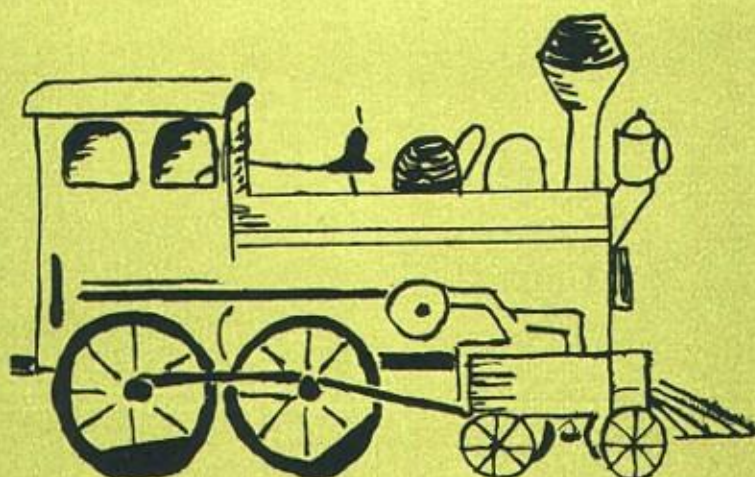

Our very best wishes for happiness in your retirement go with you, and we hope that you will always remember your days here at FENGERTOWN with pleasure as we will remember you. In appreciation for all you've done for us, we, the COURIER STAFF, dedicate this yearbook of 1959 to you. "Thank you, Mr. Smitter, for a job well done."

Bookbinding just isn't as good as it used to be!

MAYOR

CLARENCE T. RICHARDSON
Principal

Nancy Wilson Ross recently quoted a Persian philosopher of nine hundred years ago as follows:

"Can you walk on water? You have done no better than a straw. Can you fly in the air? You have done no better than a moth. Conquer your heart; then you may become somebody."

Today, scarcely a spot on earth is unexplored by man. We seem on the threshold of conquering space. But should man establish a bridgehead on the moon or colonies on distant planets, his ancient, universal and perpetual problem would remain to conquer himself. This can be done best by aligning one's self with his Creator.

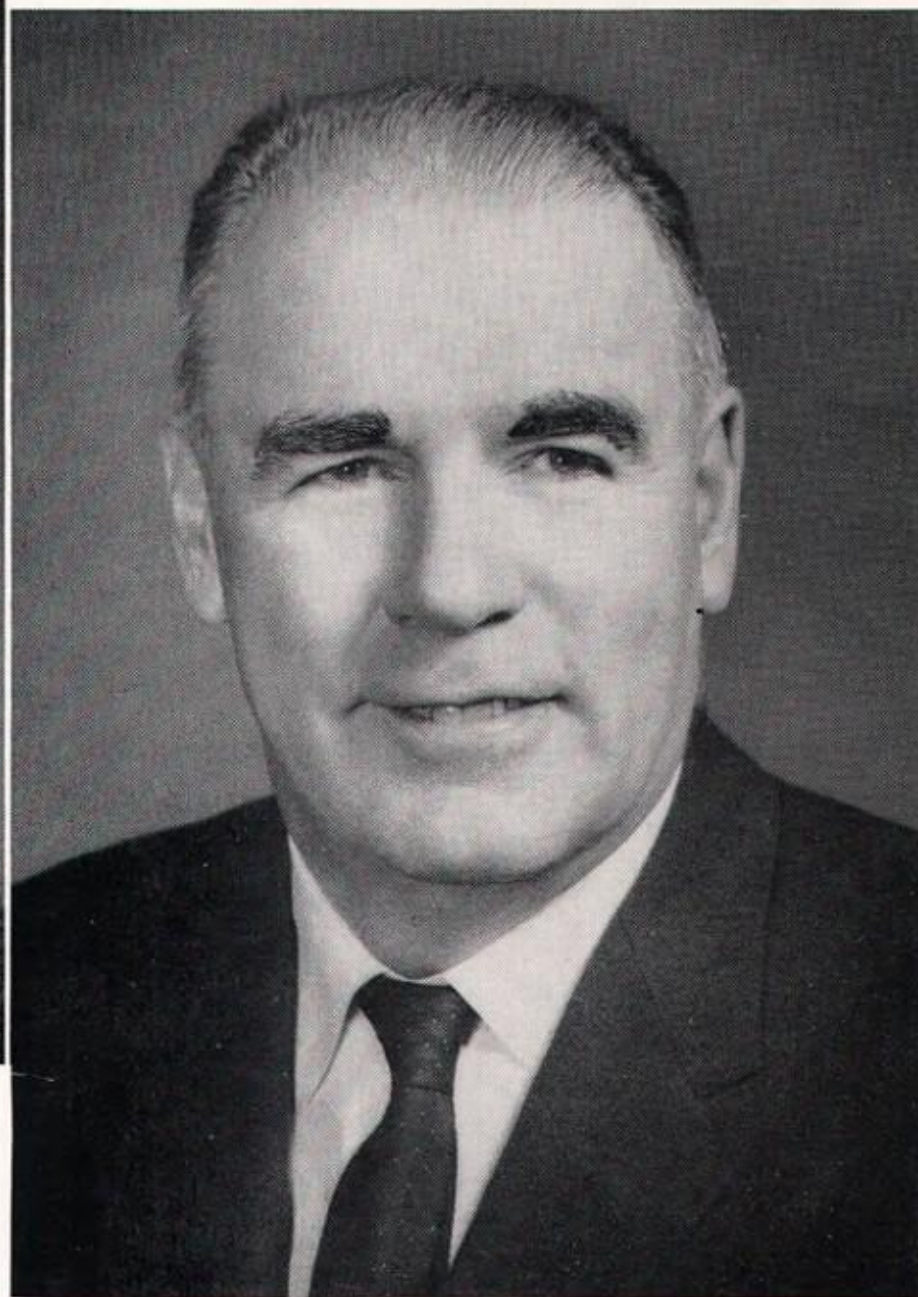

In bidding farewell to the seniors, may I then say, "Go with God. May he guide you into realms of great service and serenity. May you, indeed, conquer yourself."

COMMISSIONERS

The year of '58 has been one of achievement and satisfaction for most of you, I am sure. Most of you have gained much from your program of studies, some have achieved outstanding performances on scholarship tests, some have merited recognition in music, in dramatics, in art, in ROTC, and in athletics. Many of you have taken advantage of the leadership and character training and the general enrichment offered by extracurricular activities. The *COURIER* provides you with an excellent pictorial survey of this past high school year. May each of you achieve new goals in the years to come. My best wishes to you, graduates of '59, for success and happiness as you embark on next year's program. Working with you has been a challenge and a privilege.

Sincerely,
Mildred Taylor
Assistant Principal

Education is by no means limited to preparing for life because even though many of our educational activities do strive to prepare us for more effective later life, countless others of these activities do lead us to pursue a better and more useful life today. Try to find time each day to gain some new ideas and knowledge, to learn some new skill or to add perfection to some old skill, to practice better ways of doing and finer ways of thinking and acting, to train yourself to select what is good and wholesome, and above all, try to find the desire and the ability to use these things now to improve yourself and the place in which you find yourself. Remember always: life is long but we live it just a minute at a time.

BOARD OF APPEALS

MR. SAMUEL KATZ

Every well-organized town has a Board of Appeals which hears and tries cases brought before it by its many citizens. FENGERTOWN also has its Board of Appeals which is located in rooms 126 and 143. The judges of the Board are Mrs. Mooney and Mrs. Murphy who are in charge of the girls, and Mr. Katz and Mr. Koedyker who are in charge of the boys.

After a case is heard, the punishment is decided, usually consisting of a tardy slip, class cut, or citizenship for those who are unduly rude.

Although many students feel the punishment is unjust, the majority of FENGERTOWN citizens realize the importance of such a board.

Mrs. Murphy and Mr. Koedyker service your tardy slips with a smile.

MR. EDWARD TIERNEY

MR. GRAYDON MUMFORD

THOSE WHO HAVE SERVED

Mr. Mumford, one of our most popular math teachers, came to Fenger in 1934 from Austin High. Possessing a rich teaching background, he received his BA degree from Allegheny College in Pennsylvania, and then an MA from the University of Chicago. Besides having taught math, Mr. Mumford served as Boys' Counsellor, Class Rank Sponsor, and Chairman of the Math Dept. Indeed, he has been a very loyal and conscientious teacher.

His hobbies, painting and astronomy, will undoubtedly take up most of his time in retirement. Thus, Mr. Mumford, both faculty and students wish you the best of health and happiness in future years and hope you will look back at your years at Fenger with both a sense of pride and fulfillment.

MR. CLARENCE HOLLISTER

Mr. Clarence Hollister joined the Fenger faculty in 1949 after teaching at Lindblom High for 21 years. He was also principal for three high schools in Wisconsin, totaling 45 years of teaching experience.

Mr. Hollister was born in Racine, Wisconsin and received his teacher's training at the University of Wisconsin. Fifteen years of his boyhood were spent at the Taylor Orphan Asylum where he had some of the happiest days of his life.

During his years at Fenger, Mr. Hollister has sponsored many activities, having introduced and being the present sponsor of the Senior Sing.

Our best wishes are extended to Mr. Hollister in the hopes that will find as much happiness in his retirement as he has brought to Fenger faculty and students.

MR. WILLIAM NEIL TRIMBLE

William Neil Trimble was born on January 16, 1905. He graduated from Kankakee High School in 1922, and then went to Chicago to study music at the American Conservatory, and the Institute of Music and Allied Arts. He received his degree from there in 1926. Also in 1926, Mr. Trimble toured with the Chicago Little Symphony through the Southwest.

In 1921, he entered the Chicago school system, assigned to Schurz. From there he transferred to Fenger, where he took on the task of building instrumental groups. Mr. Trimble then took a military leave to leave to enlist in the AAF in 1942. He was discharged in May 1943, and returned to Fenger, retiring in 1958 due to ill health.

We wish to extend our best wishes to Mr. Trimble as he sits behind his desk in the "Clifton Advocate" Building, the local newspaper of Clifton, Illinois.

MR. CLAUDE SMITTER

Mr. Claude Smitter is one of the three remaining Fenger teachers who was on our staff when the present building first opened in 1926. He is also one of the three World War I veterans still teaching at Fenger. He was appointed to install the course of Careers and Self-Appraisal when it was first introduced into the Chicago Public School system, and continued teaching this subject until it was withdrawn two years ago.

In 1946 Mr. Smitter introduced our scholarship program, which has grown from three scholarships valued at \$650 to an all time high of one hundred scholarships worth \$36,302 per annum.

1949 proved to be a crucial point in the future of our Courier, and Mr. Smitter saved the day when he took over the sponsorship, along with his other duties. Now that he is retiring, we, the students of Fenger, want to thank him for everything he has done for us and wish him success and happiness in the years to come.

BOARD OF DIRECTORS

As in any organized town, FENGERTOWN has its Board of Directors, or as we call them, counselors. With their help, the citizens of FENGERTOWN are guided in the best possible way. The most prominent of these are administrative aids, class sponsors, adjustment, scholarship and placement counselors. Through these devoted teachers, the students are able to work toward ever higher goals. We, the citizens of FENGERTOWN, would like to thank each and every one of them.

RECORDER OF DEEDS

The FENGERTOWN Library Staff is responsible for securing books to suit the curriculum of all the departments of the school as well as the recreational and technological books that the teachers and students desire.

The Staff gives instructions to all new students on using the card catalog, reference books, readers' guide, pamphlets, and filmstrips. They also prepare interesting library exhibits for the display cases and other parts of the building. In addition, they train approximately seventy-five students a semester to work as assistant librarians.

Miss Vogenthaller shows a hungry assistant her favorite recipe for chocolate marshmallow nut cake.

Will Zella Hawkins or Joyce Mundo win the race to the "Activated Sludge" pamphlet?

Julie reminds Karen that "i" comes before "h."

According to our records, all male Fengerites, tall, dark, and handsome have been accounted for.

OFFICE PERSONNEL

In a town as large as Fenger, there are many tasks which must be done to keep it running well. Such important jobs as writing numerous reports, receiving calls from absent teachers, calling for substitutes, handling CTA passes, and keeping track of permanent records are only a few of the duties performed by our competent office personnel. Their work, though unnoticed by many, contributes largely to the efficiency in which FENGERTOWN is run.

LUNCHROOM

The Food Administration Bureau is a very important group of women in any town. Their job is to prepare and distribute the food in the restaurants and cafeterias in FENGERTOWN. The "Lunchroom," a favorite eating place of teachers and students, is operated by Mrs. Bridenbaugh with the help of twenty employees skilled in the culinary arts. The "Lunchroom" is well-known throughout the town for its pleasant atmosphere, friendly service, and splendid homemade food.

MATRON

Anna Smith, the school matron and nurse, can be found in room 226, ready to take care of any of FENGERTOWN'S citizens who might become ill. As in any town, a nurse or doctor is very important, so we feel very lucky to have Mrs. Smith as part of our population.

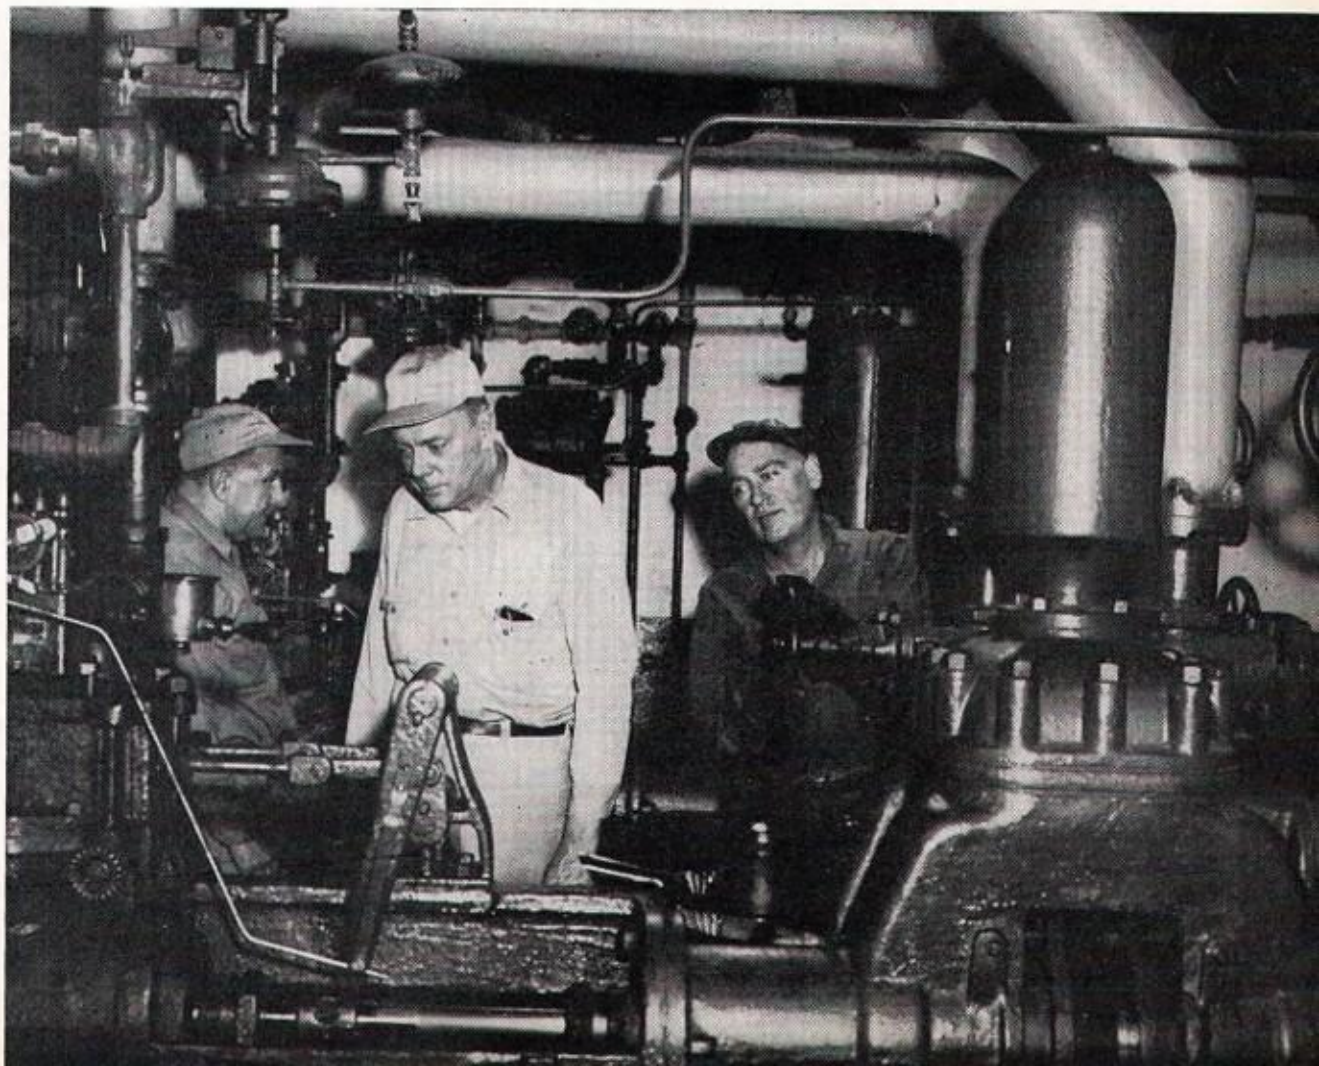

MAINTENANCE

Mr. Swanson, these rubber band fan belts just won't last until next fall.

Each town has, beneath its hustle and bustle, a small but very competent group of men and women who perform important jobs that are essential to the town's proper working order. Their main jobs are to keep the town well-heated during the winter months, properly lighted, and carefully repaired and cleaned.

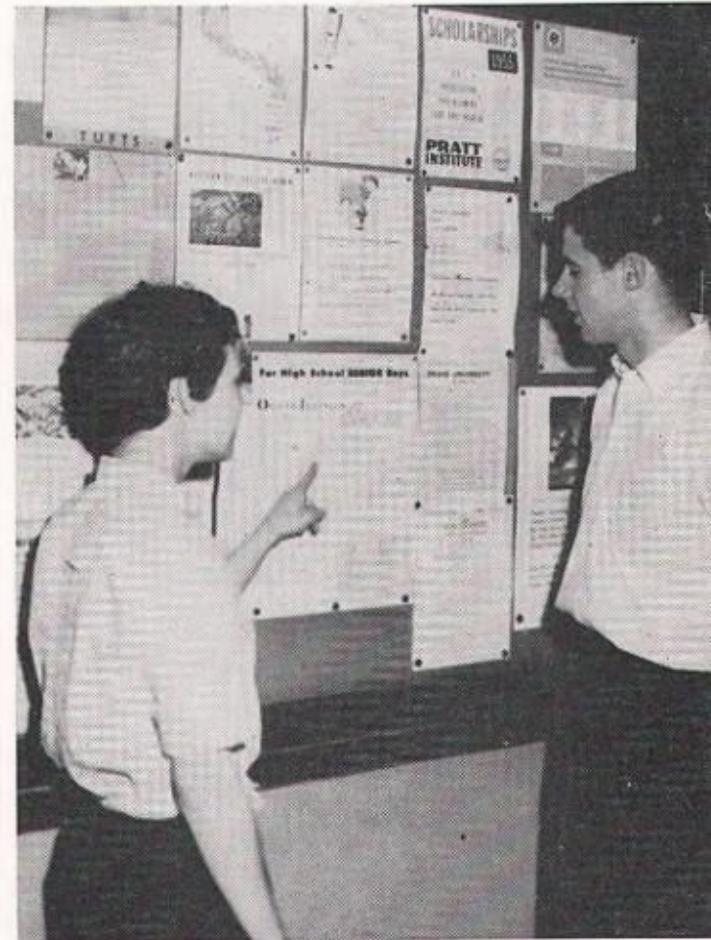

These people in FENGERTOWN are under the supervision of Mr. Stanley Swanson, Engineer-Custodian. This staff includes four assistant engineers, four firemen, eighteen janitors, and five janitresses.

Phyllis, Judy, and Carol try to convince Rich that he cannot apply for a scholarship to Vassar.

SCHOLARSHIPS

To receive a scholarship—a pass to towns of greater horizons—is the answer to many seniors' dreams. Without a scholarship as financial aid, many seniors could not obtain a college education. Through a well-planned scholarship program, with Mr. Claude Smither's help in choosing the scholarship and college best suited for each student, many of these dreams are fulfilled.

This year Fenger received the largest amount of scholarship money awarded to its graduates in any previous year. Seventy-one students received one hundred twelve scholarships, making a grand total of \$34,740.

FENGER AT COLLEGE

Many of our Town's former citizens are now attending college to further their education. Before making their choice of college, each had carefully weighed the advantages and disadvantages of many colleges. They have taken into consideration such questions as location, tuition, and quality of courses. Some of these citizens were able to attend the college of their choice because they received a scholarship through FENGERTOWN'S effective scholarship program.

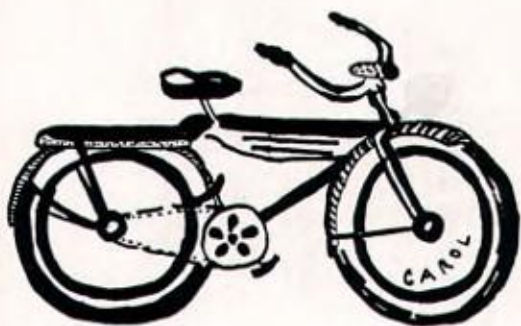

SUBURBAN SECTION

As a city grows, small towns crop up around its limits, and

FENGERTOWN is no exception. Curtis is our suburb

and many of our Freshmen spend their first year of

high school there, before coming to the "big city."

The similarity of FENGERTOWN to most large cities is characterized by its suburb, Curtis. It is located just off the city limits at 115th and State Streets. Curtis was originally a grammar school, but since has been established as a branch of Fenger to accommodate the expanding population of the town.

THE TOWN

FENGERTOWN has an ever-growing population, and is
made up of districts for the Freshmen, Sophomores,
Juniors, and Seniors. These citizens make FENGERTOWN
a city of which we can well be proud.

SENIORS

CLASS OF FEBRUARY, 1960

"After all those years of expectation, we're finally Seniors! But, gee, I don't want to leave, yet."

For the last three years, the student has been looking forward to the Senior Year. The excitement and prestige that the student receives is worth the "torture" of the last three years.

Freshies look up to them with awesome eyes, teachers hate them for being so brash, and their parents wonder why they are so lazy.

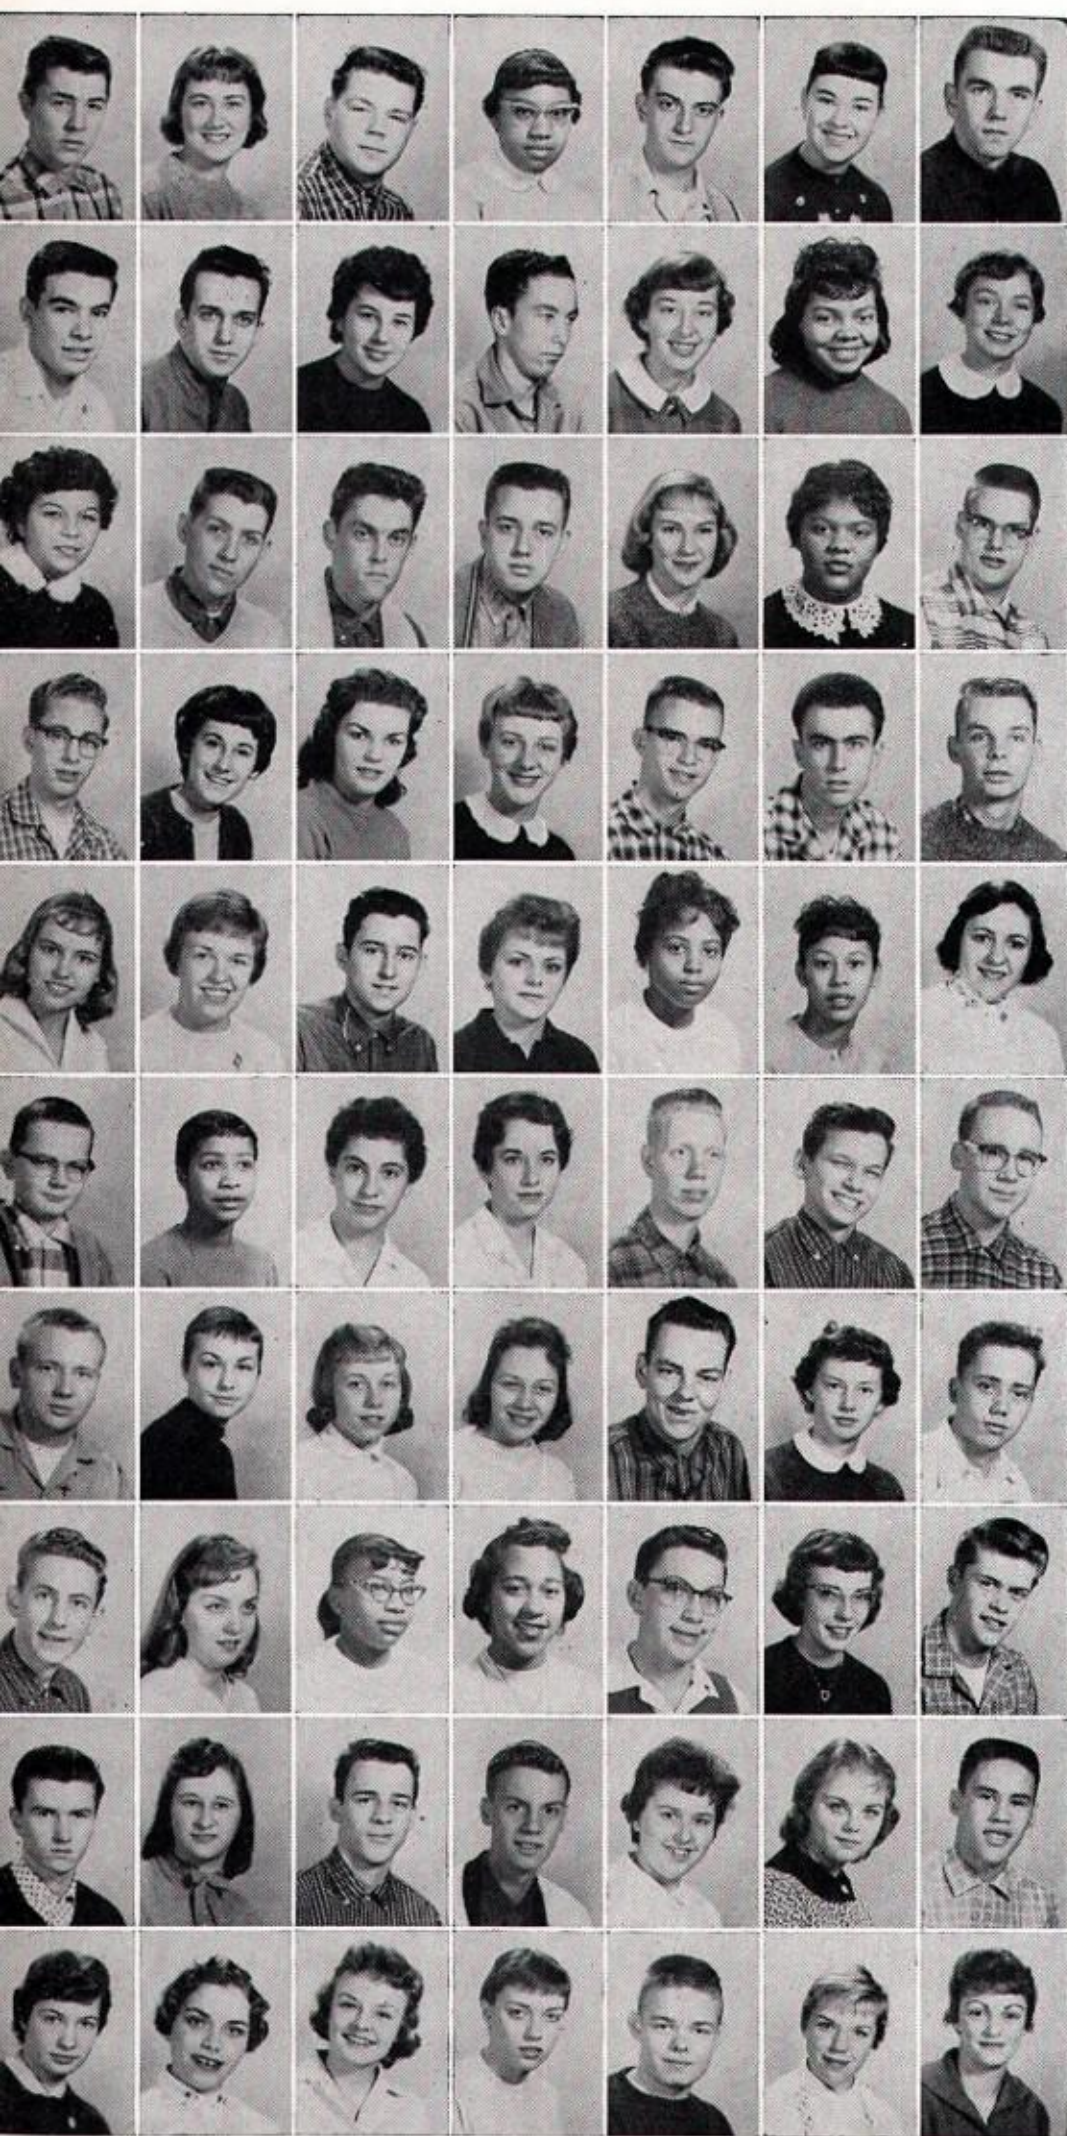

This is a big year for them; the prom, increasing social activities, last minute preparations for college and scholarships, and graduation expenses keep the Seniors so busy that sometimes they don't even have time to do their homework.

JUNIORS

C L A S S O F 1 9 6 1

"Upper classmen, at last! How will I ever get through the next two years?"

Most Juniors do not know whether to look forward to the next couple of years or not. This is the year when old 3B themes can be found on sale for a dollar a page. The "top ten" of the class will be announced for the first time, but that, no doubt, will change radically.

This year the social aspect of the student's life will begin to broaden considerably. There are many openings in school activities that were never dreamed of before, both in the service and social capacity. All of a sudden, National Honor points begin to mount up; journalism students, preparing for Courier and News Staff, are hopeful of attaining membership in Quill and Scroll. This is also the time when everyone's grades seem to drop off.

The Junior year is quite a challenge to the student; it has a lot to offer, but can make or break a person who does not carefully budget his time.

SOPHOMORES

C L A S S O F 1 9 6 2

"How can those Freshies be so dumb? Anyone knows that there is no elevator in this school!"

How much more sophisticated and experienced the Sophomores are. They look so intelligent as they carry jars filled with bugs down the halls, and as a boy slyly slips a locust down a girl's back.

Seriously, the second year of high school is characterized by many discoveries and improvements on the part of the student. No longer does he hold tight to his grammar school loyalties, and no longer does he feel jittery and reticent in front of teachers and upper classmen. He has discovered that, although school is work, it can also be a lot of fun. Hall passes do not appear to be quite as essential as they did last year, nor do textbooks.

The Sophomore has just gotten out of his shell; now he will begin to discover for himself the wonderful world of high school, and what it has to offer him.

FRESHMEN

C L A S S O F 1 9 6 2

"Gee, where's the elevator? I've got a study on the fifth floor." This is a common cry of our bewildered Freshmen undergraduates.

"Golly, how am I ever going to get from 249 to my locker at 111 and back to algebra in 135 in only four minutes??!!!"

"143 — where's that? Uh, let's see, 133, 135, and 144; there is no 143!! How do I dare get in algebra without an admit?"

Those poor Freshies! All they ever do is worry—worry—worry. How they envy those carefree seniors who *never* need hall passes and don't have any books to carry. Oh—only three more years to go.

The beginning of a typical day.

Look out, here they come.

A TYPICAL DAY AT FENDER

Do you ever wonder what happens around FENDERTOWN when you are working away in an English or math class? The purpose of the following pages is to give a picture story of the activities and classes conducted during the day. The story begins, as every day does, before the rush starts.

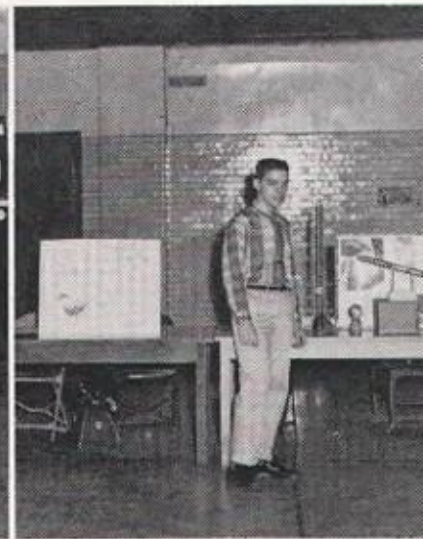

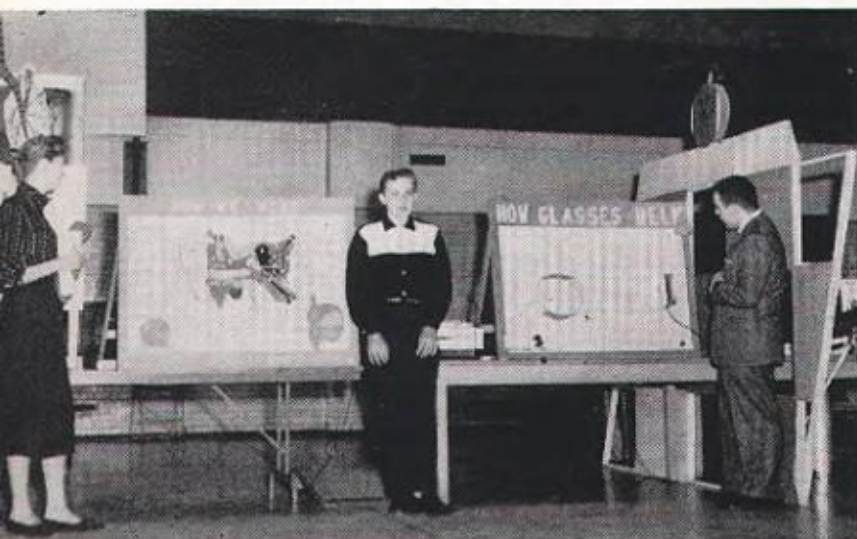

The mad rush is on.

We've still got time.

The ROTC has been here since seven this morning.

These exhibits prove that they have been learning something in class.

And now I'll show you where FENGERTOWN is located.

Tickets are on sale in the lunchroom.

Rejuvenating of Mosaic arts.

Is this how my dog was made?

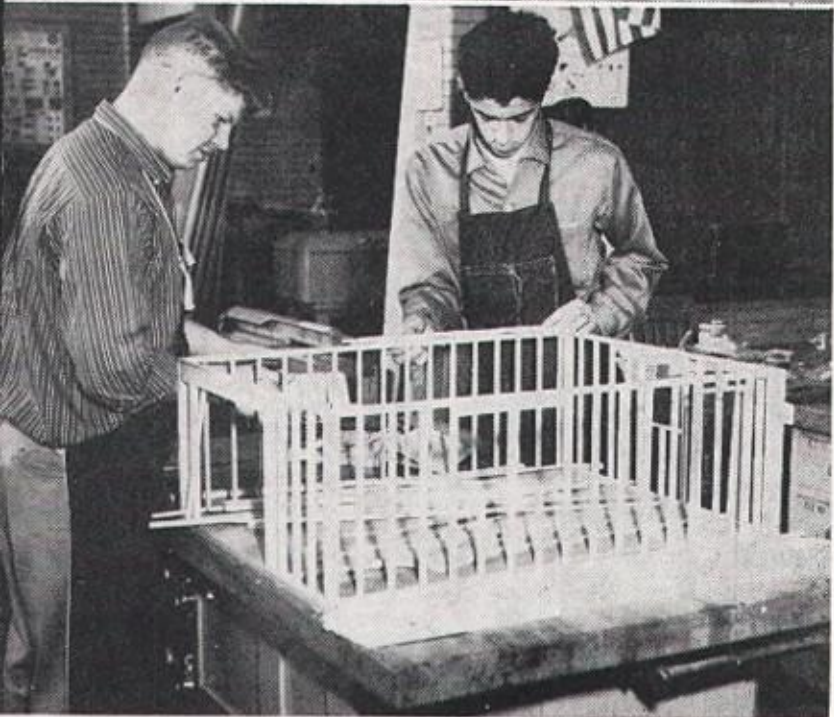

Perhaps Omar could give us some help.

O Boy! Is that a hot one.

The Science Fair and the Art Fair are representative of the accomplishments of FENGERTOWN students. Some of these exhibits were given high ratings in the district fair and city-wide fair.

Here we are at the other end of the town, and here are the handicraft shops. We have girls and boys in apprenticeship, each learning a different trade to further advancements of our community.

After I finish the drawer, what will I put it in.

Volkswagens are small but not that small.

This will be the fanciest fencepost in town.

We may get this finished for the Science Fair next year.

Say, did you happen to see the art fair today?

Three casualties you say?

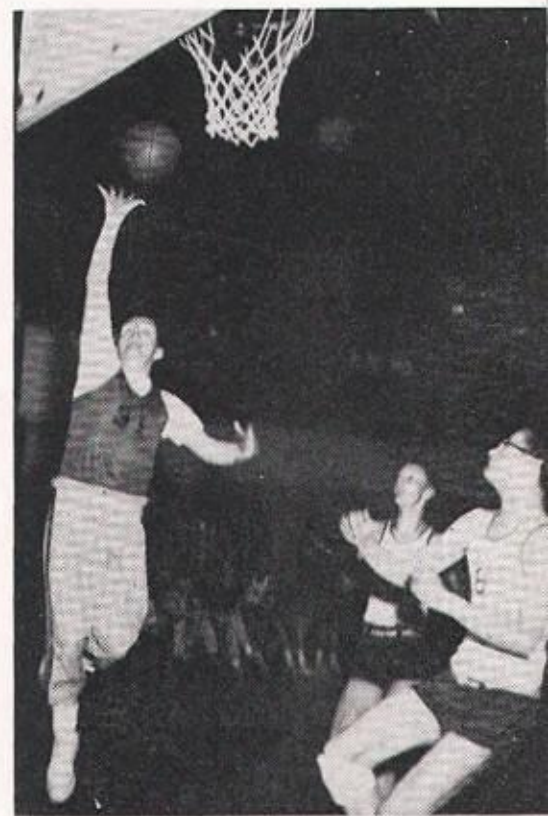

How did it happen? . . .

Maybe we should send some flowers.

Playing basketball?

All quiet on the home front.

They'll be back.

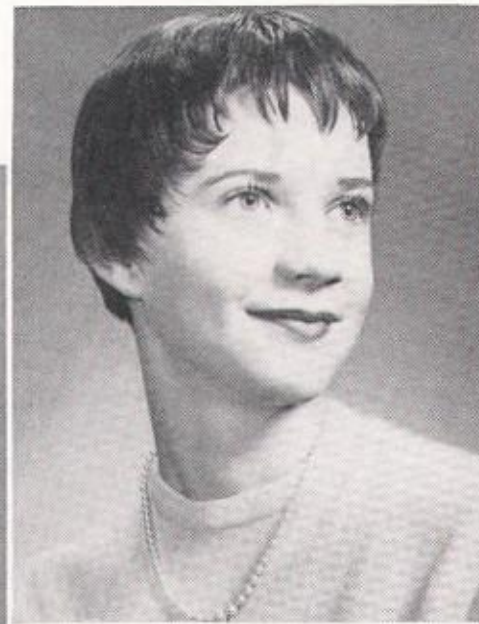

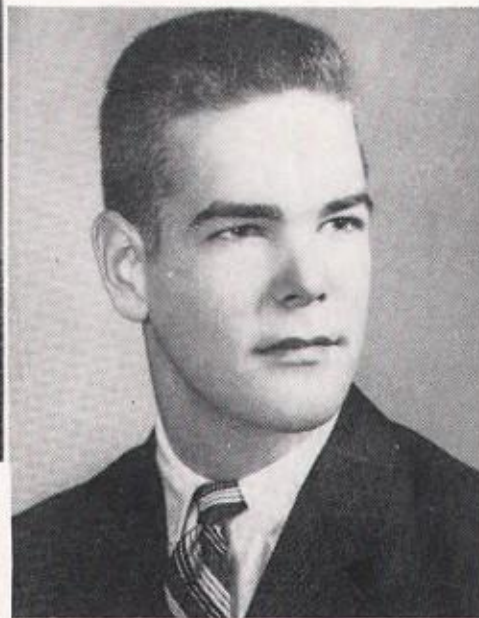

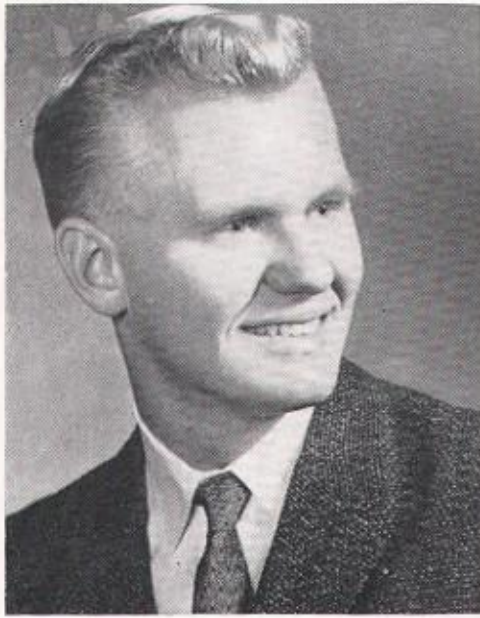

GRADUATES

Twice a year boys and girls leave FENGERTOWN to make a

place for themselves in the world, carrying with them

hopes and ambitions for the years to come.

TRI-HONOR SOCIETY

Tri-Honor is the highest scholastic honor that can be bestowed on a senior. Any 4A who has attained the honors of being on Phorex, National Honor, and Quill and Scroll societies is eligible for Tri-Honor.

Membership in the Phorex Society requires $7\frac{3}{4}$ semesters of an average grade of "E" or better. The qualifications for National Honor Society are points in character, leadership, scholarship, and service. Through the exhibition of outstanding work in journalism on either the COURIER or Titan Torch Staffs, one may become eligible for membership in the Quill and Scroll Society.

A good effort here can produce the above results.

NATIONAL HONOR SOCIETY

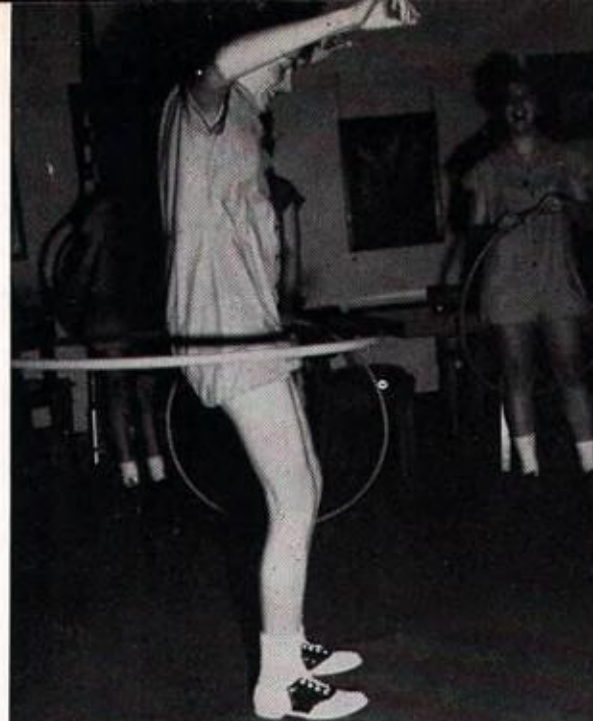

Membership in the National Honor Society is one of the highest honors a student may receive.

To become a member, one must not only be an active participant in many activities, but should also show high character traits, scholarship, service, and leadership ability.

The minimum scholarship requirement is a G+ or 2.75 average.

As there are a certain amount of points needed to qualify, anyone interested in joining should begin working for this honor when he first enters Fenger.

Annette Tosti just won't give up her new way of reducing—the hula hoop.

ROW 3—Marilyn Otten, Annette Tosti, Kathy O'Brien, John Blom, Jack Peterson, Diane Komm, Jean Hawley.

QUILL AND SCROLL SOCIETY

Members of COURIER and News Staffs look forward to membership in the Quill and Scroll Society.

One of the ultimate goals of those fortunate enough to attain membership in either the COURIER Staff or the Titan Torch Staff is to become a member of the Quill and Scroll Society. This society symbolizes outstanding initiative and ability in the field of journalism.

To be eligible, one must be in the upper third of his class, show outstanding journalistic ability, and meet the requirements of his staff. After the applicant is approved by the sponsor of his staff, he must also meet the approval of the Executive Committee of the National Quill and Scroll Society.

PHOREX SOCIETY

Mrs. Durkin encourages her students to work early for membership on the Phorex Society.

The students of FENGERTOWN who have attained membership in the Phorex Society are proud of their achievement, for they have maintained an "E" average in their majors and no mark lower than a "G" in their minors. They are rewarded with the right to wear a tiny gold pin in the shape of a lamp. Although this pin is small in size, it signifies the effort extended by those who have earned the privilege to wear it.

The students who are members of this society for $7\frac{3}{4}$ semesters are awarded a jewelled Phorex pin upon graduation as a remembrance of their scholastic achievement at Fenger.

GRADUATION MONITORS

One of the biggest honors a girl can hope to obtain is to become a graduation monitor. In order to qualify, one must be a 4B, have a high scholastic rating, and possess leadership and poise.

The duties of the 11 girls are to assist the graduates during the processional and recessional and guide them when they receive their diplomas. Dressed in white formals and carrying floral bouquets of the class colors, these girls add much to the attractiveness of the program.

ROW 1—Barbara Izzett, Karen Billburg, Gail Knickerbocker, Carole Evans, Marilyn Otten. ROW 2—Leone Peterson, Annette Tosti, Judy Mazioka, Sharon Schmidt, Eleanor Turk, Barbara Fisher.

ACTIVITIES

FENGERTOWN is known for its active and civic-minded citizens, and everywhere one

looks, he may find busy citizens working hard to improve themselves and their town.

STUDENT COUNCIL

The Student Council is the one democratic organization in FENGERTOWN which represents the student's interest and welfare. It is composed of seventy-two representatives from divisions and ten from school activities; sponsoring it are Miss Taylor and Miss Yates. The purpose of the Council is to promote the welfare of the student and the school; and it operates much like the United States Congress as it is composed of many active, hard working committees. The Student Council is responsible for the Homecoming, Fenger Day, Dress-up Day, and currently, the Fenger Book Covers.

Miss Donatta Yates and Carol Hostetter proudly display the highest-distributing divisions for Childrens' Aid.

LATIN CLUB

FENGERTOWN'S interest in the classics is vented at the meetings of the Latin Club on alternate Thursdays. Membership is open to past and present students of Latin with at least an E average, from whom officers are elected in January. Mrs. Setzer sponsors the club.

Club activities include visits to clubs in other schools, entertaining programs by the various semester levels, and the annual beach party at the Dunes. This year the club joined the Junior Classical League, a national association of Latin Clubs.

Wonders of Spanish-speaking countries from around the world are clearly revealed through our exciting travel bureau, known as the Pan-American Club, whose agents are Miss Madigan and Miss Munson. It offers a well-organized and truly interesting study of the Spanish culture, tradition, and language. Anyone being in his third year of Spanish is eligible to join this club. So, while taking a trip through FENGERTOWN, stop for a moment, señoritas and senores, and take a glimpse of our Spanish-speaking neighbors through the courtesy of this travel bureau.

Allan Cooper and the girls seem to enjoy the latest Spanish rhythms.

GERMAN CLUB

“Wie Geht’s” is a familiar expression between students of the German Club. The club meets bi-monthly, and students must have a “G” average to attend. Their activities center around a desire to learn the customs and culture of the German people. Two of the many ways in which this is accomplished is by viewing movies on Germany, and singing German songs.

At Christmas, it is the practice of the club to send a Care Package to one of the less fortunate German families. Another annual affair of the club is their banquet which takes place in June. Each year, members attend a special party, which is either an ice-skating party or a splash party.

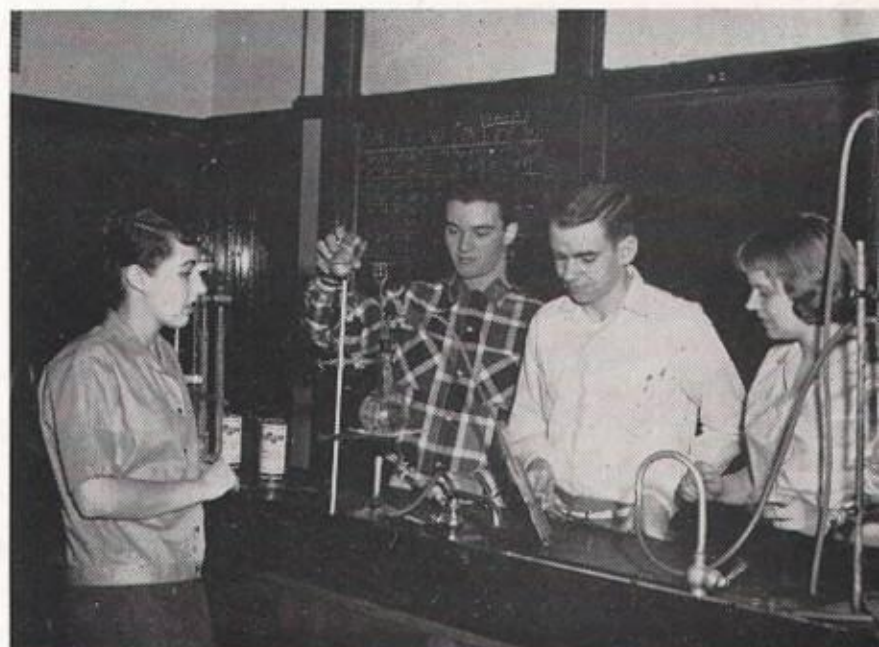

CHEMISTRY CLUB

ROW 1—Jim Johnson, Augie Chidichimo, Allan Derry, Hugh Boylan, Steve Krajic, Bob Dixon, Robert Johnson. ROW 2—Jacqueline Klipp, Connie King, Irene Schuster, Jacquie Bikfasy, Bonnie Thoney, Diana Sandaker, Gail Knickerbocker, Dolores Vasquez, Mary Czech, Jean Wilson, Carol Wahlstrom, Deanna Hagberg. ROW 4—Shirley Brucer, Sue Ross, Bonnie McKinnon, Barb Mechtersheimer, Nancy Kovacin, Diane Komm, Dawn Larson, Elaine Vanderwall, Bonnie Groos, Eleanor Cole, Gayle Ruisard.

Looking to the future, we realize that there must be those willing to fill the shoes of our present judges. To give a clear insight of the teaching profession and what it has to offer, FENGERTOWN has included within its activities, a chapter of the F.T.A., sponsored by Mrs. Myrtle Runyan and Mrs. Lucy Periolet. Membership may be obtained if the applicant shows an interest in teaching and has a scholastic average of "G" or better.

Its program stresses good conduct, citizenship, and character development which are all essential in producing our future teachers. Its many parties, discussions, and special speakers make it definitely a benefit to those interested in choosing teaching as their life's career.

Miss Vanderwall! At least look like you're busy!

Miss Holmes, have you paid your membership dues yet?

ROW 1—Karen Johnson, Marcia Facktor, Veronica Lowe, Mary Foster, Jeanne Sample, Connie Fay. ROW 2—Lois Horsky, Mary Duncan, Harry Adler, Larry Stephens, Gary Marchand, Jeff Christensen, Walt Wattman, John Kandl, Rosalind Harvey, Gerri DeVries, Rosemaris Kossak.

NEWTON CLUB

FENGERTOWN invites all students with an E or S average in math to join the Newton Club. Newton Club is sponsored by Mrs. B. Pollyea and under her capable leadership, the members prepare exhibits for the Annual Science Fair and enter the National Mathematics Contest along with the Wilson Junior College Math Tournament.

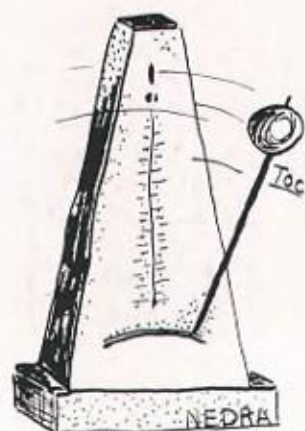

L. to R. Kneeling—Ron Bobowski, Frank Bortoli. Sitting—Carole Napoli, Karen Lepper, Madeline Camire, Judy Valente, Patti Barci, Marcia Miedema, Carol Jasica, Gil Saturno, Margie Maginel.

FRIDAY NIGHT SOCIAL COMMITTEE

The Friday Night Social Committee consists of about 12 residents of FENGERTOWN who, under the direction of Mr. J. Kehoe, plan the dances which are held in the boys' gymnasium. This committee selects the bands which are to play, decorate the gym, and provide for such special entertainment as Celebrity Night, student entertainment, candy raffle, and a magic show.

Man, the mosquitos around here are really bad.

Look, Mr. Lumbrazo, I caught one!

Through the streets of FENGERTOWN, the melodious tones of its band are often heard. The musical strains come from room 206, where young musicians practice faithfully under the able direction of Mr. Andrew Lumbrazo. The Fenger Band, comprising a membership of fifty-eight students, meets daily during first, second, and third periods. Here they not only learn to play an instrument, but also gain an invaluable appreciation of music. This active group provides music for our colorful football games, pep rallies, and various assemblies. The band has many times ranked high in city competition, an achievement of which FENGERTOWN is certainly proud.

ORCHESTRA

Our orchestra has given us hours of enjoyment for many years under the direction of Mr. Neil Trimble and we owe him a large vote of thanks for his service. Due to a prolonged illness, Mr. Trimble has relinquished his baton to Mr. Andrew Lumbrazo, who has taken charge of these musicians, as well as the Band. Enthusiasm and the desire to work are the requirements for membership. Practice and instruction is given in Room 206 every day seventh period for the beginners, and eighth period for the advanced musicians. This past year has been mainly devoted to building up the string section. All tuned up and ready to play, our orchestra is planning more and more fine entertainment for the citizens of our town.

Kees vander Sterre and friends, upon request, will proudly exhibit their musical ability to anyone who lends an ear.

ROW 1—D. Avakian, S. Martin, M. Colfer, P. Renstrom, B. Wilson, J. Klipp, D. Johnson, K. vander Sterre. ROW 2—B. Westberg, L. Tisdale, G. Chocholek, T. McCadd, M. Eizenga, P. Anderson, J. VerWay, P. DalSanto, R. Kossak, Mr. Lumbrazo.

CHOIR

*Isn't it rather hard to
laugh and sing at the
same time?*

When you hear the beautiful combination of soprano, alto, tenor, and bass voices, you know it must be the Choir practicing in room 204 every second and seventh period. Under the expert direction of Miss Julia A. Mulligan, the Choir is an outstanding feature of the FENGERTOWN music department.

The group consists of approximately 135 members, both boys and girls, who perform for the Spring and Christmas Festivals, and graduation. If a student is able to remain in the Choir for four semesters, a letter is received. This letter is an emblem of hard work, and

it is something that each member looks forward to obtaining. The Choir Ensemble, also under the direction of Miss Mulligan, is composed of thirty select Choir members. They perform at our Curtis Branch, community churches, and special school activities.

GIRLS' GLEE CLUB

Don't you know that this note is supposed to go up, and NOT down???

If you would like to gain the satisfaction received by so many from singing, join the Girls' Glee Club, which meets every fifth and eighth periods in room 249. Under the inspiring direction of Miss Irene Connor, the Glee Club performs for our town's enjoyment. Some of their activities include: the Christmas Festival, the Spring Festival, and Graduation Exercises. After being a member of the Girls' Glee Club for four semesters, a girl is eligible for a Glee Club Letter.

Also under the direction of Miss Connor, is the Girls' Ensemble. These 35 girls who volunteer their time from 7:30 to 8:00 in the morning, sing for such special occasions as PTA meetings and neighborhood civic organizations.

Is it possible that we have another Greta Garbo here in FENGERTOWN???

MALE CHORUS

SEATED—Elaine Crocker, Linda Moennich. **ROW 1**—Claude Jones, Tom Orchowski, Jerry Balches, Bruce Zeull, James Poektro, Robert Buchler. **ROW 2**—Al Cooper, Richard Kawhler, Daniel Miller, Thomas Hansen. **ROW 3**—Phillip Van Dam, Claude Shanklen, Keith Marchi, Bill Pearson, Bill West, Paul Reinhardt, Fred Lundberg, John Nelson, Daniel Perchez, Robert Baffa, Gary Axelson. **ROW 4**—Phillip Pape, Ed Miller, Duanne Broadhead, Richard Falc, Irv Pope.

The forty-two members of the Male Chorus meet every day sixth period in room 204 under the direction of their new leader, Mr. Scherer. Linda Moennich, their accompanist, supplies the music to keep the boys on pitch, and Allan Cooper acts as their president. Practice for the City Wide Contest in May and a program at Curtis keeps them busy, but often they take time out to sing their favorite songs, "Donkey Serenade" and "Stout Hearted Men." This fine group is an important addition to FENGERTOWN'S source of entertainment.

This is the only class where everyone is ordered to open his mouth.

ORIENTATION DAY

What's new in FENGERTOWN? An Orientation Day program was held this year at Fenger and also at the Curtis Branch for the benefit of new students entering Fenger High School. This event, sponsored by the Student Council under the direction of Miss Donatta Yates, gives new Fenger students an introduction to Fenger life. Students representing various clubs and societies gave brief summaries about the purpose, qualifications, and activities of these organizations with emphasis placed on the importance of scholarship and good citizenship. Entertainment was also provided by several of these organizations. We know the busy life of FENGERTOWN will be enjoyed by these new students as they begin their plans for participating in its many activities.

Bobbi Jensen's impersonation of an immigrant always brings a good laugh at any meeting.

As usual Gene is playing the funny man.

Jane Bergstrom, the representative of the Music Department, sings Brahms' Lullaby, as if Gene's tirade weren't enough.

Is Joe Trunbull testing his strength or receiving good news??

CAREER DAY AIDES

Career Day, sponsored by the Roseland Kiwanis and directed by Mrs. Fristoe, plays an important part in the future of the citizens of FENGERTOWN. Every fall, men and women from almost every vocation come to discuss their various occupations and answer the questions of our young citizens. A group of responsible students are placed in charge of seeing that everyone can attend the discussion of his choice and also welcoming each representative to our Town.

COLLEGE DAY AIDES

On College Day, thirty-two courteous, energetic seniors extended to each of their classmates the opportunity of an interview with representatives from two colleges of their choice. Under the supervision of Mrs. Elizabeth Fristoe, Chief Aide Judy Dapkus, and Assistant Chief Aide Lee Erickson, student hosts and hostesses planned the College Day Program, and received representatives from many universities and colleges.

Along with academic interest, could Sharon also be considering the ratio of boys to girls?

Joann and Lucille appear spellbound by the thought of a future at Illinois State Normal.

Each year, distribution of the Fenger Courier is only made possible through the expert salesmanship and persistence of the many capable students chosen as COURIER reps. As part of their duties, they are required to take orders for the COURIER and collect the money of their fellow classmates.

COURIER REPS

ROW 1—Arlene Stell, Dolores Hernandez, Mary Jane Montalto, Bonnie Thomas, Sharon Carroll, Shirl Stone, Barbara Lock, Geraldine Kulak, Natalie Preskus, Elsie Doesburg, Joan Holba. Fenger's Parent-Teacher Association has done much to improve school conditions. Without the aid of the student representatives, membership in the P.T.A. could not have reached an all-time high.

Every P.T.A. rep's goal is to obtain 100% membership in his division. Collecting these fees and distributing the cards are the chief duties of these reps. As a result, the P.T.A. has become a large and effective organization, influencing life in FENGERTOWN.

Are you dissatisfied with the physical inactivity of a student's everyday life? If so, join the Girls' Athletic Association of our town. This organization plans such activities as parties, hikes, volleyball games, and the May Festival.

These activities are carefully planned and arranged under the management of Mrs. Gertrude Lange. Membership may be obtained in the G.A.A. by any Fenger girl if she pays her semester dues to the G.A.A. representative in her division.

HALL GUARDS

Patrolling the streets of FENGERTOWN are the local policemen—the hallguards. It is up to them to see that the streets are always orderly and clean. To become a policeman, a "G" or better average and a study period five days a week are required. Our town is certainly proud of the fine job these students are doing.

HOSTESS CLUB

The know-how of gracious living is an asset not to be overlooked in this present day. Entertaining properly is an important facet and often leads to success in business and social life. FENGERTOWN is fortunate in possessing a group of above average students, under the sponsorship of Miss Madeline Johnson, who are being taught rudiments of gracious entertaining. Along with better than average grades, members of the Hostess Club must at all times be well-groomed and have a good attendance record. One important aspect of this organization is that while you are learning the niceties of entertaining, you are also enjoying many social gatherings.

ROW 1—Susan Gerringer, Barbara Gagus, Karen Krussel, Elysa Tolyar. ROW 2—Miss Betty George, sponsor, Pat Judeikis, Mary Foster, Elaine Vanderwall, Donna Sable, Ruth Van Witzenburg, Sylvia Melroth, Carol Fredrickson, Mrs. Jones.

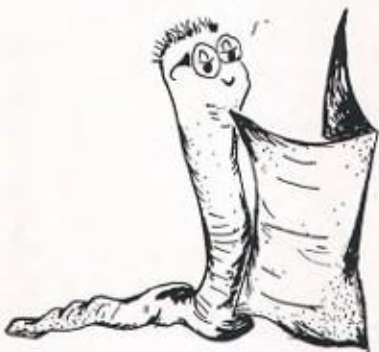

LIBRARY CLUB

Located at Second Street and Foyer Avenue, the Fenger Library serves the town and outlying suburbs. The library, which is easily accessible by all main traffic routes, is known for its pleasant, helpful assistants. During the day, citizens with a G or better average, work under the supervision of Miss Betty George to operate a more efficient library. Shelving and processing books, filing catalog cards, and giving attendance records to study hall teachers are only a few of the services they perform.

ROW 2—Rosemary Kossack, Donna Crean, Harry Adler, Rosalind Harvey, Mary Foster.

CREATIVE WRITING CLUB

The Creative Writing Club, under the sponsorship of Mrs. Lyle Starcevic, comprises a small group of FENGERTOWN'S imaginative, energetic students. These pupils meet ninth period on the first and third Thursday of each month.

Led by their president, Harry Adler, the club participates in such activities as writing original stories and poems and then analyzing each other's work. Interesting authors and writers are also discussed at these informal meetings. As an extra project, many of the club members correspond with a foreign pen pal, gaining first-hand knowledge of the countries abroad.

ROW 1—Bobbie Jensen, Carol Petrongelli, Florence Oedzes, Frances Davis, Marlene Vogt. ROW 2—Corrine Gatto, Carol Adams, Lorin Harris, Penny Champlain, Pat Binol, Geraldine Varga, Barbara Dalbey, Twila Teel. ROW 3—Bill Ferngren, Sonia Zaokopmy, Donna Zavidovsky, Kay Carlson, Marge Henning, Ina Foster, Ruth Lang, Mrs. Schlentz, Judy Kaslu, Linda Freeman, Joe Gonzalas.

ROLLER SKATING CLUB

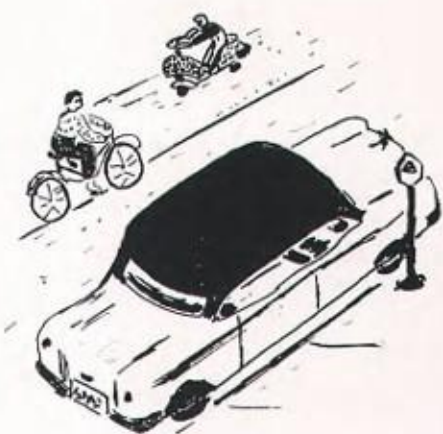

Mrs. Schlentz is the sponsor of one of FENGERTOWN'S newest organizations, the Roller Skating Club. The seventy charter members meet on the first Monday and third Tuesday of each month at the Swank Roller Rink. Lessons are available for beginners, and the more experienced skaters have speed races and enjoy learning new dance techniques. It also offers unusual opportunities for acquiring bumps and bruises. Rich Huber is the club president, Mike Gonzales is vice-president and Betty Hutton acts as a combination secretary-treasurer.

ROW 1—Arnie Newman, Gar Rigoni, Ron Adnerson, Dick Uhler, Jack Carpenter, Ken Mattson. ROW 2—Gil Saturno, Don Nelson, Dale Lofquist, Ted Schelenski, Jerry Lepper, Steve Mark, Mr. Katz, sponsor.

KEY CLUB

The Key Club was formed about six years ago and is sponsored jointly by the Roseland Kiwanis Club and Fenger High School. The club is comprised of twenty-five boys and is under the direction of Mr. Samuel Katz. Participation in the Annual Peanut Day and acting as hosts on Career Day are a few of their activities. The boys also hold an annual spring dance for the entire school.

L. to R.—Richard Lindmark, Ross Olander, Mr. Brewer, sponsor, Gene Baldelli, George Clark, Bob Lindmark.

STAGE CREW

The boys on the Stage Crew, under the supervision of Mr. Brewer, contributed a large amount to the success of a stage performance. The boys give up their free periods and sometimes after school time to set up props and adjust lights for school as well as evening performances. After serving four semesters, one can earn his letter.

L to R—Jim Younger, Ray Wick, Randy Spitzer, Chuck Wagner, Bob Spake.

ADVERTISERS

The Fenger Advertisers is a service club organized in 1934 by Mr. Zinngrabe for the purpose of promoting all official activities of the school.

Posters and many other novel devices are produced by the silk screen process in their own shop during study hours.

Boys of top dependability, with some skill in woodshop, mechanical drawing, and art are welcome, provided they are willing to give of their time and energy to the organization.

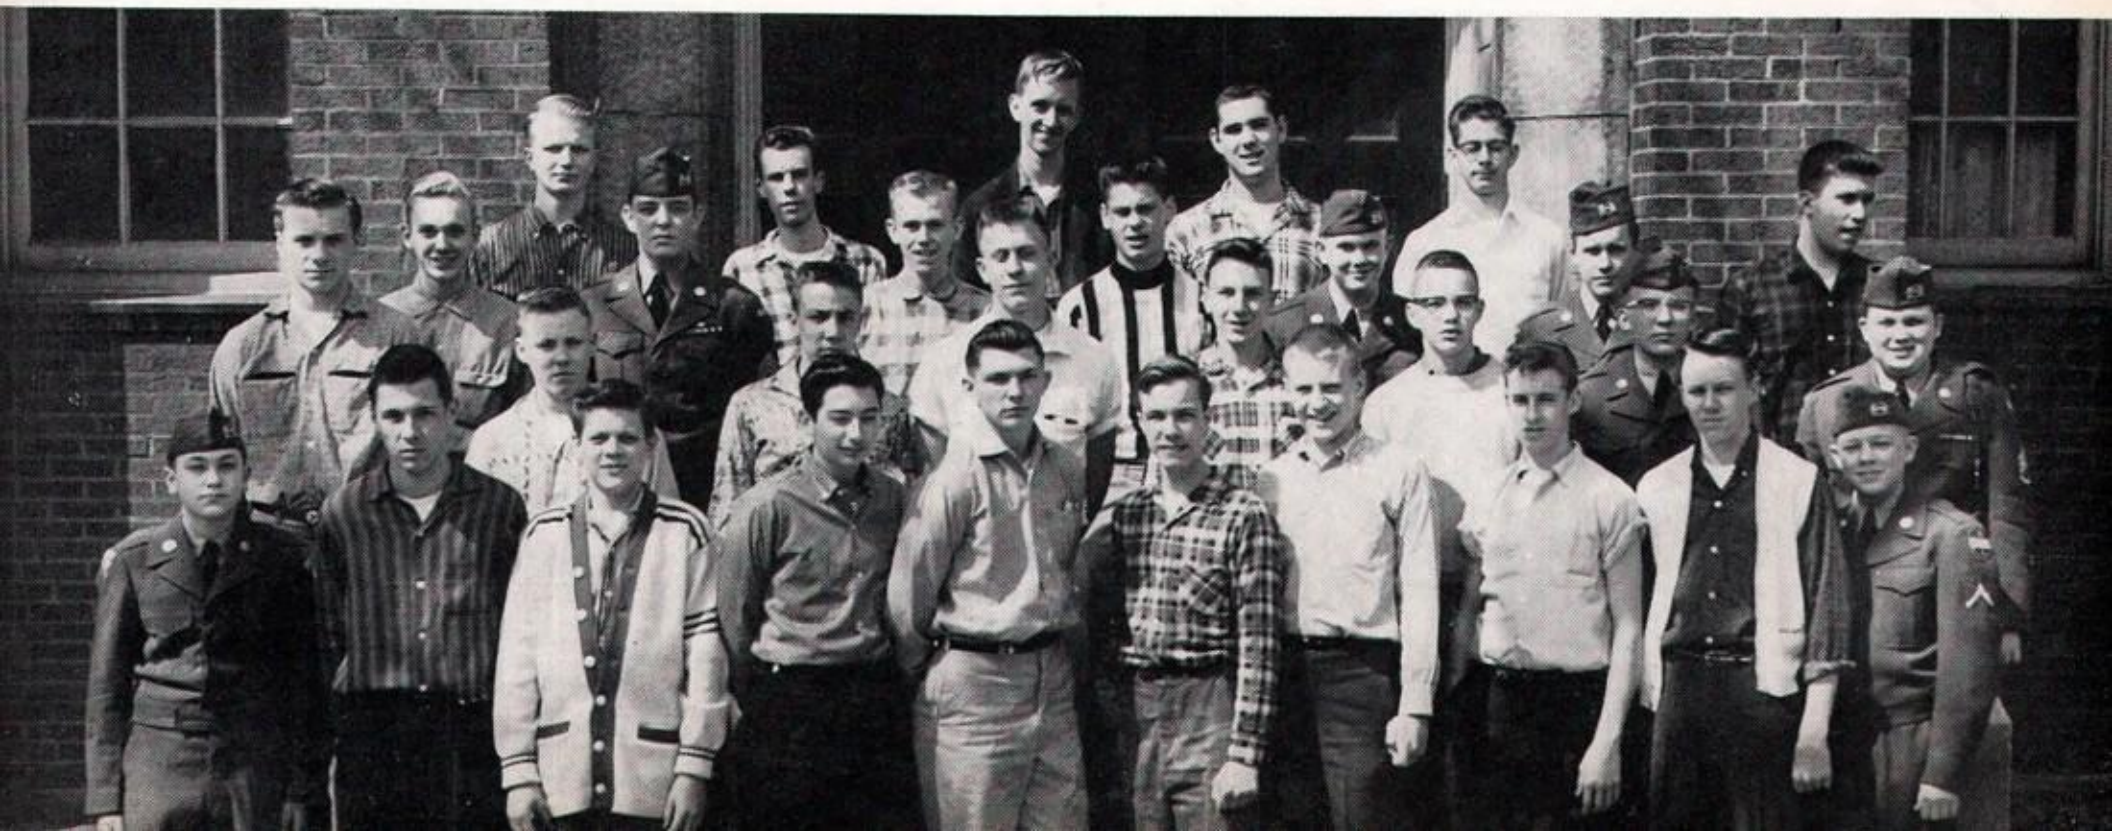

REELMEN

Reelmen are FENGERTOWN citizens with a scholastic average of "G" or better, a sense of responsibility, and a free study period.

It is the responsibility of each reelman to take care of the projectors and to provide a list of movies available for use. Upon the request of the class teachers, the reelmen show films to various classes.

This club was organized 26 years ago, and is now under the sponsorship of Mr. Janovic. Films for the use of the club are obtained from the Department of Visual Aid which has a great variety of movies.

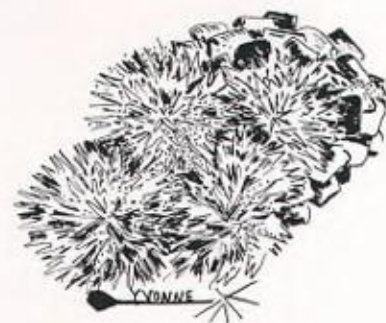

ROW 1—Robert Scully, Martin Schwick, Jerry Yo, Ron Schwarcy, Marty Hegglin, Bob Aring, Warren Young, Chuck Kratzenburg, John Paskiewicz, Gary Apelson. Filing past the wishing-well, the party-goers happily begin their evening on the town.

THE PROMS

June, 1958 at the Palmer House
January, 1959 at the Morrison
Hotel

*A delicate memento, the prom bid
reveals the glory that is the prom!*

THE PROMS

New as the morning dew, fresh as the first spring flowers and as exciting as a first date; this the Senior Prom. Some say it is extravagant to spend so much money just to have a party. The prom however, is not an ordinary party, it is the culmination for the graduates, of four years of effort and hard work. It is a farewell party, sending them out to face the world. It is spectacular, with all its glory, exhuberance and grandeur; it is the prom.

The June Prom, held in the Palmer House, and called "Wishing on a Star," sent the graduates into their next phase of life with a smile on their lips and a song in their hearts. The January Prom, held in the Morrison Hotel and christened, "Moments to Remember," did the same for the January graduates as future proms will do to honor future generations.

The grand march, one of the highlights of the evening, is eagerly awaited by all.

HOME COMING

As the football season draws to a close, anticipation looks forward to Thanksgiving week-end and the Homecoming Dance. From many qualified entrants, the student body chooses ten boys and ten girls to form the Homecoming Court. Out of this group, a king and queen are chosen. The names of the king and queen are secretly guarded until the crowning at the dance.

The court is led to the bandstand where the coronation takes place under an arch of crossed sabers of the ROTC honor guard. This year's royal couple was Tom Tharp and Lee Erickson.

The Homecoming Committee, headed by co-chairmen Cathy Goettler and Dave Kinnisten chose the theme—"Deep in a Dream," secured the band, decorated the gymnasium, and designed the bids.

Tom Tharp and Lee Erickson dance the first dance after their coronation as Homecoming King and Queen.

Sharon Schmidt and Bob Garrity lead the Homecoming procession.

Even the gymnasium is decorated for this festive occasion.

The climax of the evening comes as John Bergstrom and Lois Hills, past king and queen, crown the new king and queen, Tom Tharp and Lee Erickson.

ROW 3—Paul Panozzo, Don Nelson, Ron Grens, Jim Burke, Dave Kinnisten, Gene Billo, John Bergstrom, Jerry Marchetti, Bob Johnson, Bob Garrity.

MAY FESTIVAL

ROW 1—Joyce Elzinga, Marcia Moberg. ROW 2—Valerie Scheck, Lee Erickson, Binnie Mampriso, Judy Adams, Judy Dapkus. ROW 3—Rose Wrobel, Betty Plankis, Natalie Preskus, Mary Rago, Donna Krikau, Linda Dickinson.

Binnie Mampriso reigns as May Festival Queen.

In the spring of the year, one of the customs of the G.A.A. is to sponsor the May Festival. This is always a gala affair which is highlighted by the crowning of a May Queen. Her highness is elected on a popularity basis by the fourth year girls' gym classes. Twenty semi-finalists are chosen and then another vote is cast which limits the court to ten girls. Included in the court are the four officers of the G.A.A. Board.

The Stage is always decorated in a typical spring scene, and the girls, dressed in floor-length white formals, carrying beautiful bouquets of flowers add to the beauty. Following the crowning of the new queen by last year's reigning queen, excellent entertainment is always provided by some of FENGERTOWN'S talented students.

HI HO COME TO

"Step right this way! . . . And all this for the small price of one thin dime!" . . . Such phrases as these were heard within the limits of FENGERTOWN on November 21, the night of its first fair. The streets were jammed with the 2000 tourists and citizens as they made their way to the many booths, displays, and entertainments which were provided by the town clubs. The lights of the fair grounds glowed late into the night as the people stayed on to get more than their money's worth of enjoyment.

The success of the fair was tremendous, and everyone seems to be getting ready for next year's extravaganza.

Mr. Samuel Katz greets visitors arriving at the Fair.

Rosemary explains $2 + 2$ to attentive visitors at the Fair.

The floor gets harder each time around for these ROTC cadets.

"I told you Cheerios stretch in water," gasps Nancy Bergstrom, coming up for air.

The COURIER STAFF, sponsored by Mr. Claude Smitter, is a beehive of activity two periods every day in order to bring you, the students and friends of Fenger, a successful and interesting yearbook. Many people do not realize that there is so much work involved in putting a book such as the COURIER together. A theme must be decided; the write-ups, including the dedication and forward, must be given much thought. There are pictures, pictures, and more pictures to be identified. Frequent is the cry: "Does anyone know who this freshie is?"

It takes a long time to learn the method of putting out a yearbook and a long time to do the work, but at the end of the school year the STAFF can look back at a challenge well met, for they have produced a book of which all Fenger can be proud.

In this year's COURIER, we have tried to portray our theme, "FENGERTOWN." It is our sincere hope that you, the student body, will enjoy looking through it and recalling memories of the past year.

Although Nedra and Carol work diligently, Nelda seems to have other ideas.

Now what could possibly be so funny to John and Diane??

The last few weeks are really hectic, and Diane is continually pounding the typewriter.

With all these "problems," Diane is sure to have gray hair before she graduates.

Pat and Judy must be preparing this week's chuckle box as the others attend to more serious material.

"Proofread this page! Where is the copy for page two? Deadline tomorrow!" These cries and many more can be heard coming from the Titan Torch Building during eighth and ninth periods. In the bustling newsroom, the sponsor, Mr. Harry Calpha, supervises the editing of our Town's weekly newspaper, which includes news, sports, and many special features. It is in this paper that one can read about the many things happening in our busy town. The hard work put into the paper can be evaluated toward membership in the Quill and Scroll Society, and it is the aim of every staff member to achieve this goal. Until this year, the Titan Torch was called the Fenger News; and we are very proud to have had a part in this memorable change.

Margo checks her work as Bobbie and Julie practice their typing lessons behind her back in the Torch room.

ROTC

An excellent militia is always on hand to provide our town with adequate protection. In order to prepare for service in this organization, cadets are taught habits of orderliness and precision, discipline and respect, and a sense of personal honor and deportment.

Cadets receive military training which will be beneficial to them, if and when they join the Armed Forces. They also develop an appreciation for the Army and the role it plays in national defense.

In order to realize these objectives, the FENGERTOWN ROTC Battle Group encourages its members to study hard and take an active part in extracurricular activities. The boys may join any club or athletic team sponsored by Fenger in addition to the many activities maintained by the unit itself.

RIFLE TEAM

R.O.T.C.

Fenger's Rifle Team has again won first in district competition. Continuing with this fine record they placed first in the Fifth Army District Match and third in City. In the Fifth Army Match, Frank Wysocki and Gary Marchand finished first and second in city respectively. The team is comprised of five men: Gary Marchand, Harry Housman, Frank Wysocki, George Duncan, and Lance Stell. The top man on the team is Frank Wysocki with 184 points out of a possible 200.

SPORTS

As a growing metropolis, FENGERTOWN supplies healthful recreation for everyone. Great teams and athletic heroes sprout from our city, making for themselves a permanent name in our history.

FOOTBALL

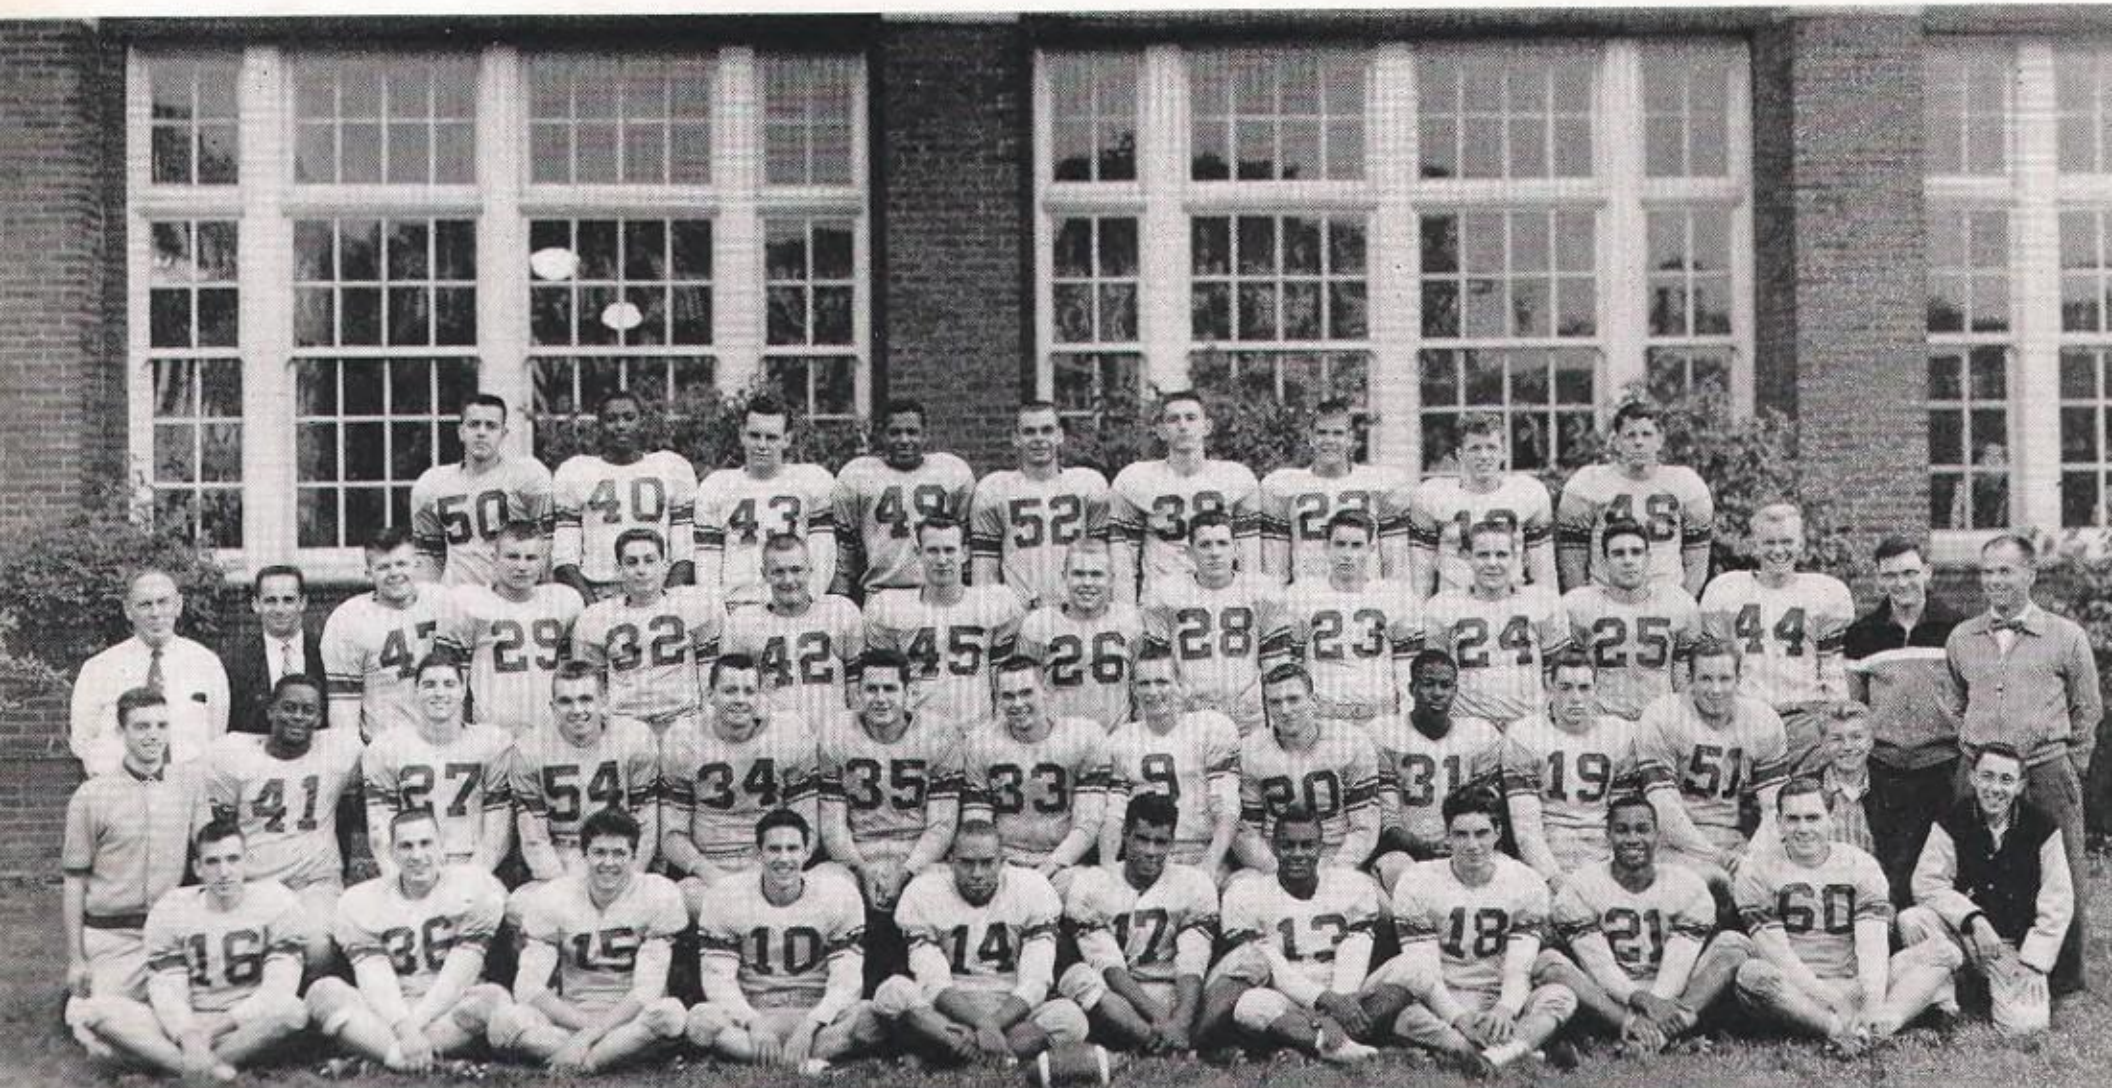

VARSITY

Under the guidance of Fred Rittschof, the new varsity coach, the Titans fought hard to win. Almost an entire new team and numerous injuries were two of the biggest obstacles to be overcome. With each successive game, the coach came to know his team better and the team gained valuable experience and confidence in themselves. They fought each game to the end, always confident they would win. Although their record is not one to make history, it is consistent and one which showed our team exactly where its weak points were. With each successive game, the holes were plugged. Each game was hard fought and the tide of battle could have turned either way. So uncertain were the results that the stands were always packed until the final gun. Surely this season did much for the team and the outlook for the future seasons is most bright.

The worried line.

FROSH-SOPH

Our future varsity football team, 1958's frosh-soph team again showed they are willing to win for Fenger. This year the team compiled a three and two record, beating our rough neighbors, Morgan Park, Lindblom, and Tilden. Under Coach Dixon, these boys fought hard and showed the spirit that will make them varsity men. With the help of these boys, Fenger has an excellent chance for another good season. Come on boys, let's win.

Eddie, Don't stop and apologize now.

This year our boys fought hard, never giving up. With two seniors and ten juniors they had a young team well prepared for next season. Our boys had the spirit and aggressiveness but not the luck to go all the way. There were a few games that were lost by only one or two points that really hurt. Although young and inexperienced, under their new coach, Mr. Leo Hennessy, they did a job our town can be proud of.

FROSH-SOPH BASKETBALL

Four, three, two, one, and the game is over; Fenger wins again. This year our frosh-soph team had an outstanding season, winning nine games and losing two in league competition. This gained them a third place tie in the South Section. Our boys had height, a well-balanced team, and two fine coaches in Mr. Hennessy and Mr. Barder. These boys will give our varsity team a big boost for the next two years. With this record in mind, we may very likely have a championship team in the next year or two.

Under the able supervision of Coach Lilek and the hard work of these boys, our swim team took second place in the city meet.

Our town can be proud of the accomplishments these boys have received. We'll be pulling for you.

Our town can be as proud of the Junior Swim Team as they can be of the Varsity Team. In the last 119 league meets, they have won 115, tied 2, lost only 2. With the Varsity coach also coaching the Juniors, these boys know what to expect. We will again, without a doubt, have another championship team next year.

Another serve like that and . . . !

TENNIS

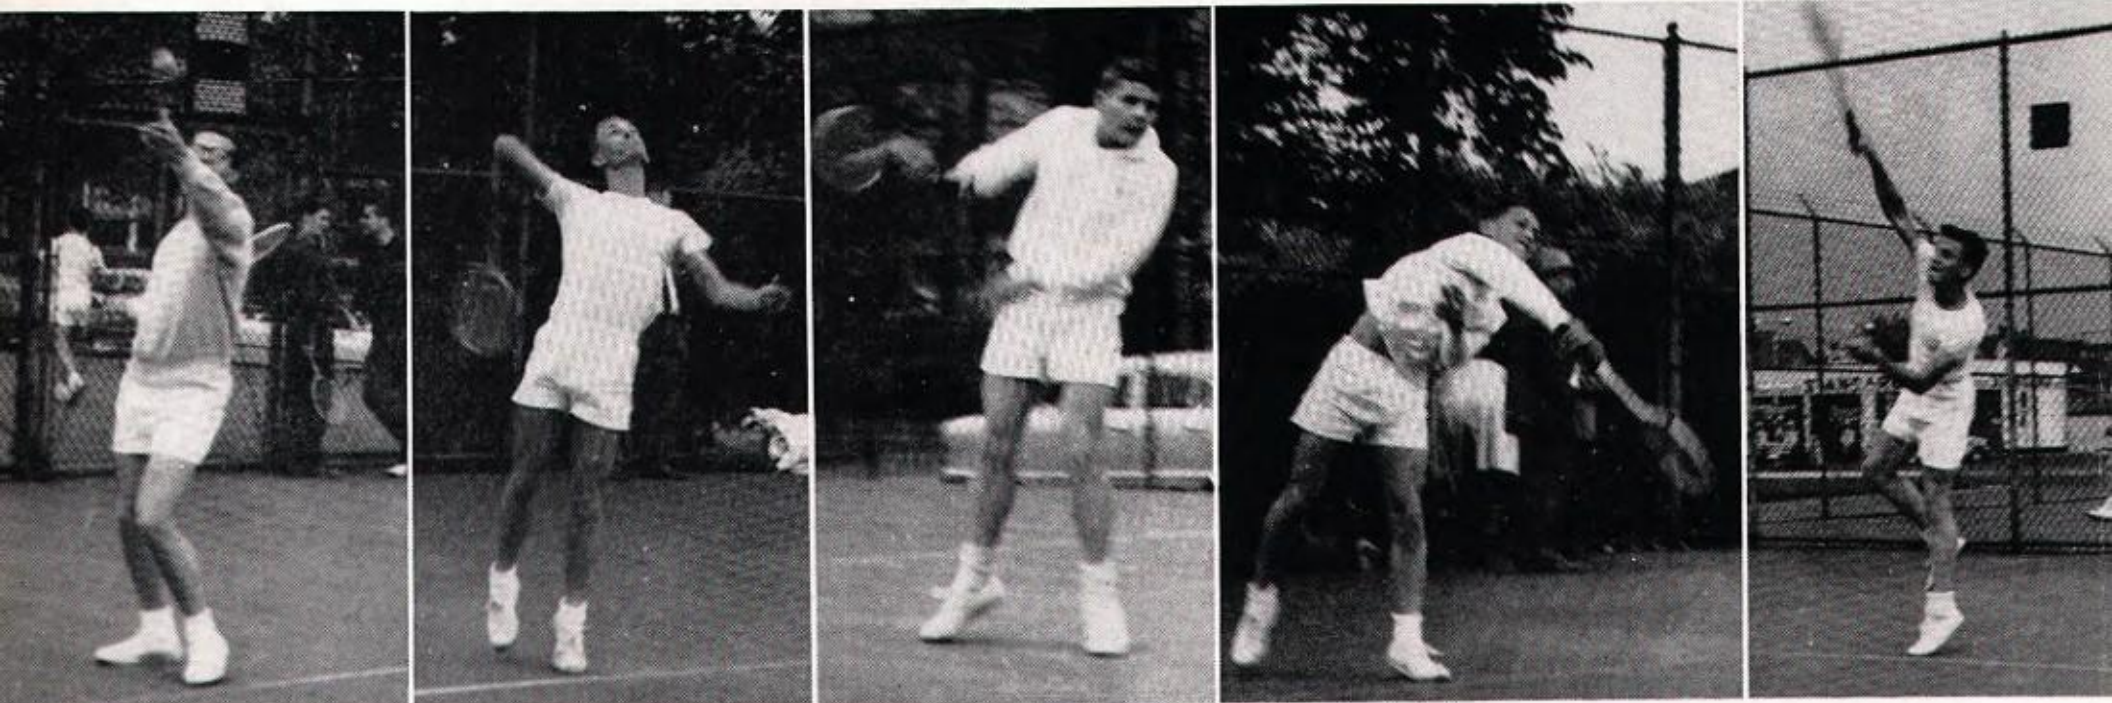

Again this year, Fenger's tennis team has a record of which to be proud. They went through league competition undefeated, topping such schools as Lakeview, Lindblom, and Hyde Park. Under the able coaching of Mr. Walter Sampson, Don Bach, Ed Poland, Ron DeYoung, Jack Cutright, and Rich Kolhauser qualified for state competition. In order to qualify in singles or doubles each boy had to win two matches at Humboldt Park.

To become a member of this team a boy should be willing to practice daily at West Pullman or Palmer Park. All new members are taught the fundamentals of good tennis and then play among themselves for position.

Fenger did it again, they won. This year Fenger won 12 and lost 2 league games to place 1st for the second consecutive year in the South Section. The team had a .343 batting average with the help of seven returning letter men. Gil Saturno, our pitcher for three years, pitched two no-hit games; one against Bowen and one against Hyde Park. Much of the credit for Fenger's success goes to Coach "Dimmie" Dixon, who works these boys every day after school. Dimmie's great coaching and past record proved again to be a mental hazard for all other South Section teams. This year the co-captains were Al Cooper and Ron Anderson, both returning lettermen. Come on Fenger, let's keep our fine record.

Ken's in a hurry to get to first!

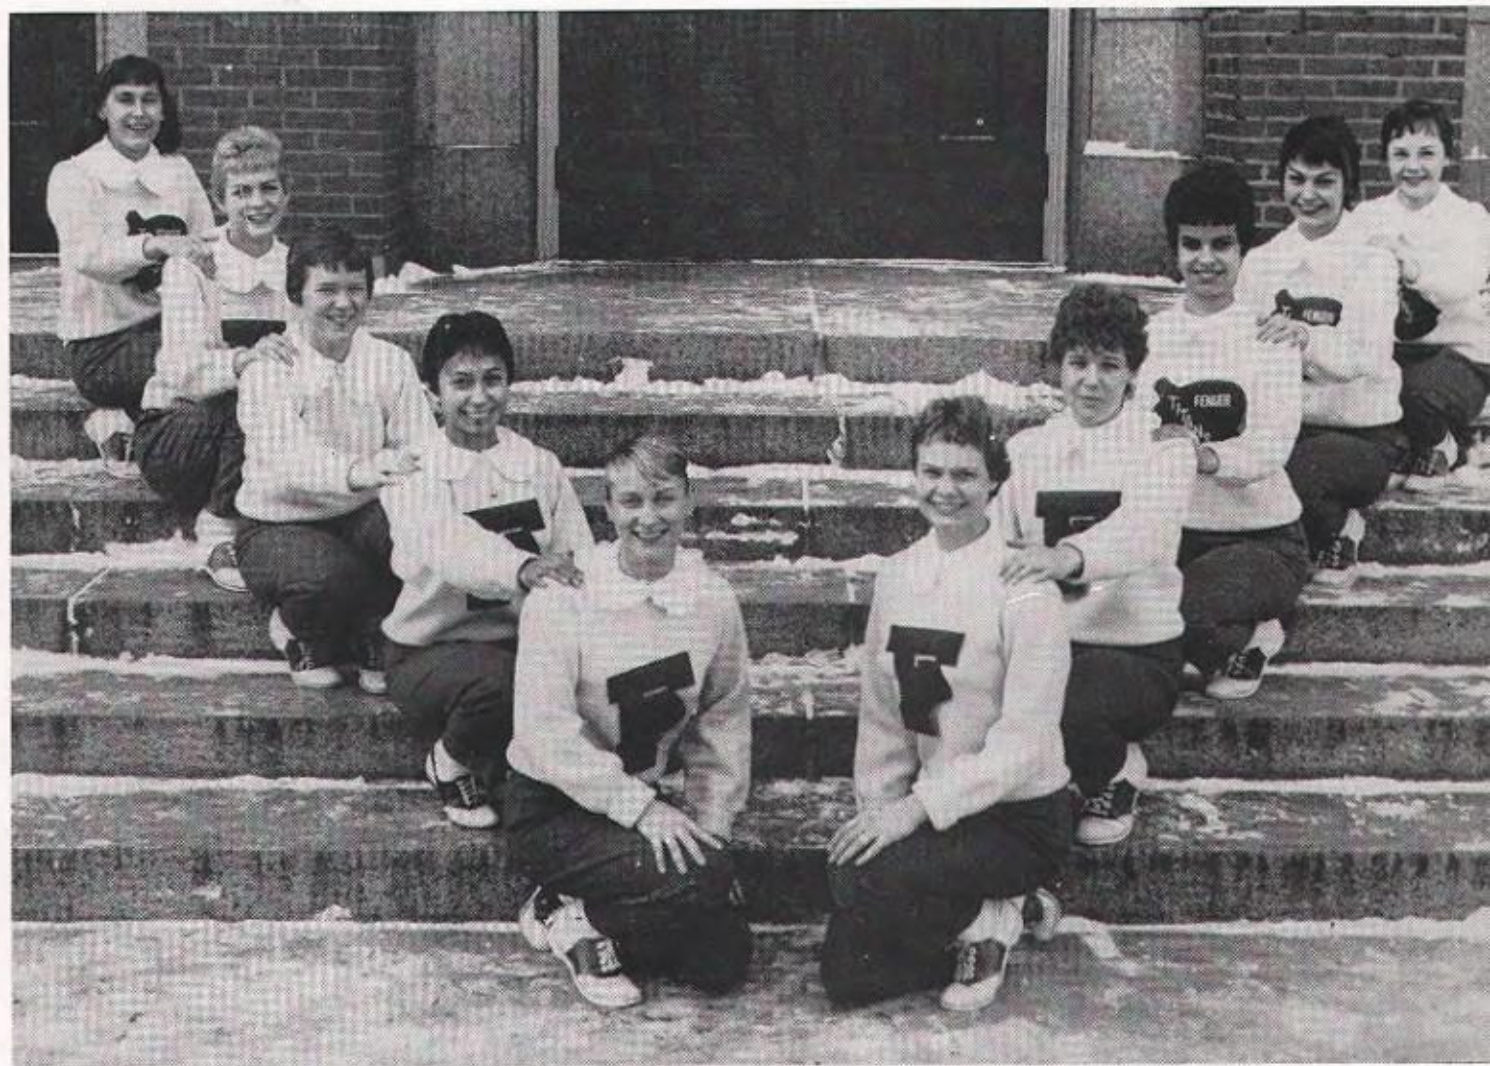

Ronnie shows what Wheaties does for him.

Who can keep those Titans down?
Nobody, Nobody, NOBODY*

CHEERLEADERS

Ten girls are chosen for cheerleading through an elimination process during their freshmen and sophomore years. It then becomes their duty to promote pep and enthusiasm among the students in the field of sports. They promote school spirit not only on the football field and basketball court, but also in school pep assemblies.

So, next to the importance of the hometown teams are the cheerleaders who bear the red and green and stand by the teams in victory as well as in defeat.

TITANETTES

Adding sparkle and color to our football games are the energetic titanettes, composed of both flag twirlers and baton twirlers. These girls, under the sponsorship of Mr. Andrew Lumbrazo, provide a large portion of the half-time entertainment along with the band. The flag twirlers, under the leadership of their captain, Patti Barczy, perform various routines to such songs as "The Yellow Rose of Texas" and "There's No Business Like Show Business."

The tryouts for this group are held in the spring by a process of elimination. All those girls who are interested and willing to diligently practice are welcome to come and try out. The girls are chosen for their poise, co-ordination, personality, and an ability to learn new routines quickly.

The baton twirlers are a chosen group of girls picked for their ability and experience. These girls combine their skills and talents to provide a thrilling show for all.

The G. A. A. Board are the officers elected by the members of the G. A. A. under the direction of Mrs. Gertrude Lange who sponsors most of the sports activities for the girls of FENGERTOWN. The girls may apply for membership if they are at least a 2A, have a good scholastic record and have the approval of three gym teachers.

The G. A. A. Board sponsors such activities as a play-day, a faculty volley ball game and the annual May Festival. The new board officers are Linda Dickenson, president; Natalie Preskus, vice president; Donna Krikau, treasurer; and Mary Rago, secretary.

LETTER GIRLS

The letter girls is an honor club reserved for those girls in any class who have earned a certain number of points through service in the gymnasium, leadership and scholarship in the classes, athletic activities, and service to the school in general.

A girl who has earned the required 1000 points in these areas of work receives a letter, a Fenger "F." These girls are then entitled to participate in any G. A. A. activity.

The Letter Girls are under the guidance of Mrs. Gertrude Lange, who supervises the programs, which include an annual popcorn ball party, a splash party with the Swim Team, and a faculty volleyball game.

All these activities keep in mind their original purpose—that of creating a spirit of good sportsmanship in individual and team games.
